## A PICNIC FOR VETERANS

### NURSING SISTER WATT HOSTESS TO CONVALESCENTS.

An Enjoyable Outing Was Held for the Returned Men at Kingston Mills—Much Generosity Was Shown.

A very enjoyable picnic was held on Wednesday afternoon, when about thirty returned soldiers at the Richardson Convalescent Home were entertained at Kingston Mills by Nursing Sister Watt, matron of the Home. Several other nursing sisters accompanied the party, among them being Sisters Kearns, Elmhurst Home; Sister Gibson, Ongwanada Hospital; and Sisters Acheson and Winstead, Queen's Military Hospital. Among those who were invited to loan cars to convey the soldiers to and from the city were Mayor J. M. Hughes, John Donnelly, J. McCall, T. H. Sargent, H. W. Newman, E. Paradis and W. J. Moore, and the soldiers also wish to extend their sincere thanks to Anderson Bros. and W. J. Nesbitt for supplying refreshments.

Fishing played an important part of the day's outing, and many fine bass were caught. Corp. Brown, 2nd Battalion, is reported as having caught an immense one. About 6 p.m. supper was served by the sisters, assisted by Misses Page and Gordon. The boys also wish to thank Mr. and Mrs. Clarke, of Kingston Mills, for their generosity in supplying milk and hot water for the supper. After a most delightful day, the party returned to the city early in the evening.

## LEONARD KNOCKS OUT KILBANE IN THIRD

### Of a Six-Round Bout in Philadelphia—Receipts Were \$35,078.

Philadelphia, Pa., July 25.—A world's record for receipts for a six-round bout, \$35,078, and a record crowd of more than 12,000 for a box match in Philadelphia, were the happy sides of the Leonard-Kilbane fight here last night, when Leonard knocked Kilbane out in the third round. Each boxer's share was \$11,692.66.

"Benny Leonard is the greatest fighter I ever fought. Good luck to him, he deserves it. I have no allibi to offer," so runs Johnny Kilbane's "morning after view" of his decisive beating.

"I have nothing to say as to a return match with Leonard, he added. "I have nothing to say as to the future."

Says Benny: "When I hurt Kilbane with a right cross in the second round I felt confident I would score a knockout."

## Military News

There is a rumor going the rounds at Petawawa to the effect that a thousand men from that camp will be sent to Bermuda.

The new piece of road over Barrieffield Hill has been completed and traffic used it for the first time on Thursday morning. The road is high and well drained and even with long periods of wet weather should remain so. The crown is not too high and the roadway is wide-enough for passing cars.

This road has been built by military labor secured from various sources. Lieut. T. S. Scott has been in charge and under his expert guidance the unskilled labor has been able to perform wonders. The base of course stone rolled tightly into place. On this are successive layers of finer stone and over a binding of asphalt is a sprinkling of sand which keeps the oil from automobile tires.

The workmen have diverted the road over Barrieffield Commons so as to have full control of the piece under attention. From the strip now completed to the bridge will now be rebuilt so that at each end of the bridge there will be new roads.

The official notification of the retirement of Lieut-Col. H. R. Wilson has not yet come through. There is a hope that it will never come, but headquarters believe it to be only a temporary delay in the correspondence.

There are now some 300 men in the Special Service Company. This company is varying in strength as more men return from units here or in England while others are being drafted into overseas units or discharged.

To make office work in the headquarters staff buildings comfortable in spite of the excessive heat the hose is used at frequent intervals at Barrieffield. The road into the camp is very dusty as a result of the great numbers of passing cars.

Cataract bridge has been completed. The bridge will be open for traffic as soon as part of the city approach road is finished and ready for use. The plan is to divert traffic through Tete de Pont barracks until the west turn can be completed.

## COMING WIN-THE-WAR CONVENTION IN TORONTO.

### On Aug. 2nd and 3rd—An Appeal to the Citizens.

Attention is called to the announcement made in to-day's paper of the coming "Win-the-War Convention" to be held in Toronto on Aug. 2nd and 3rd. John M. Godfrey is chairman and Henry W. King recording secretary of the convention, which has its headquarters at 76 Adelaide street west. In announcing his policy the committee says: "Believing as we do that in this crisis in the affairs of our country it is of vital importance:

1. That Canada shall dedicate all resources of men and means to the Winning of the War.
2. That if we are to justify our national existence, to support our living and be worthy of our dead, Conscriptive Measures be immediately adopted and enforced to maintain the strength of our forces at the front and to discharge our full duty in the existing emergency.
3. That a National Non-Partisan Government be established for the vigorous prosecution of the War.
4. That all patriotic elements in the country which place the Winning of the War above all other considerations be united, to the end that their strength may be made effective to overcome all obstacles of indifference, and that the people of Canada may be dedicated anew to their high destiny of service in the War.

And deeming it essential for the welfare of Canada that all citizens of Ontario who share these beliefs should have the opportunity of expressing their adherence to these principles and of ensuring their enforcement.

And being convinced that patriotic Canadians can render no higher service to their country than by uniting one people to "cast in" with increasing vigour to the end.

We therefore invite all public-spirited citizens, of whatever political faith, to attend an Ontario Convention in Toronto, the Capital of the Province, on Thursday and Friday, the 2nd and 3rd of August next. The Convention will be called to order at 3 p.m. on August 2nd. The place of meeting will be announced later in the public press.

All citizens desiring to be enrolled for this Convention are requested to send their names at once to the Recording secretary.

Briefly, the policy is that politics should be dropped until the war has been won. An appeal is made to every citizen to support civilization with men, money, munitions and food. Thousands of the leading citizens of Ontario have signed their name to the list of signatories which is growing rapidly every day.

## Dissolution in 3 Weeks?

Montreal, July 26.—A report said to emanate from Conservative headquarters here is circulated through the city to the effect that the date of the general elections has been fixed for September 20th, and that the House of Commons will be dissolved in three weeks.

Canadian Casualties. Presumed dead—G. E. Williams, Illsborough; R. W. Morrow, Metairie; Andre Stark, Belleville; W. Burke, Collingwood street, Kingsburg.

Wounded—William Boyle, Cobourg.

As a further means of preventing surrender the Germans are encouraged to resist capture by the spreading of the senseless lie that the British kill all their prisoners.

## At the Theatres

### Virginia Pearson at Grand.

The special "hot weather" feature that is to be shown at the Grand tonight and the rest of the week is sure to delight all who see it, both young and old. The synopsis cannot portray the delightful spirit of the drama. "Royal Romance" is the typification of entertainment. Brain-tired folk will find in it true relaxation. They will breathe the balmy air of semi-tropical climes and cool, brisk mountain breezes. They will wander through palaces and hobbles with those interesting and romantic, though fast-passing characters, emperors and princesses. And never was there a more regal or sweeter princess than Virginia Pearson as the Princess Cylvia. The emperor is excellently portrayed by Irving Cummings. As an added feature, Miss Katherine Hart, late of the "Everywoman" company, will sing some of her old favorites as well as some of the latest New York song hits. The Pathe News and feature comedies will also be shown. Coming: "Lonesome Luke" in Tin Can Alley."
