GANANOQUE

(From Our Own Correspondent)
July 27.—The home of Mr. and Mrs. Frederick Richardson, front of Leeds and Lansdowne Township, was the scene of a very pretty wedding on Wednesday, when their daughter, Miss Coral Richardson, was united in marriage to James Bevins, son of Mr. and Mrs. Bevins, King street, Gananoque. Rev. W. W. Weese, pastor of Gananoque East Circuit, performed the ceremony before a goodly number of friends and relatives of the contracting parties. After the ceremony a delightful repast was served. Later Mr. and Mrs. Bevins were taken by auto to Gananoque Junction, where they took the west-bound train for St. Catharines, where they will spend part of their honeymoon with the groom's brother and sister-in-law, Mr. and Mrs. Claude Bevins.

On Wednesday afternoon a baseball team from the Convalescent Home at Leek Island played a game with a team from the Gananoque League, the latter winning out by a score of 13 to 7.

The annual picnic of the teachers, officers and pupils of Christ Church was held on Wednesday afternoon at McNich's Grove.

Wednesday morning fire was located in the double tenement house, corner King and James streets, owned by Ronald McDonald, one side being occupied by him and the other by Mrs. McLaughlin, wife of Pte.

McLaughlin, who has been overseas since the beginning of the war. The matter was out at the time, and most of her household effects were destroyed. A large amount of McDonald's goods was saved. The house was also quite badly damaged, but was insured. There is no insurance on the contents.

At the town park last evening the Citizens' band gave another open air concert and drew out a large attendance. A feature of the evening's enjoyment was the presentation made by Mayor O'Connor of a handsome gold-headed cane to Bandsman John Griffith, from the Convalescent Home at Cobourg, a former member of the Citizens' band. A formal welcome was also tendered to Lieut. Frank Mooney, who arrived here on Tuesday last on a two months' leave of absence, to recuperate from the effects of being badly gassed.

Pte. Charles Grant, who has been spending a few days here with friends, left for Toronto yesterday. David Briggs, William street, left on Wednesday for a short visit with his daughter at Wolfe Island.

Mr. and Mrs. George Shurtliff and Mr. and Mrs. J. Russell Stafford, all of Hamilton, and former residents of this town, who have been making a two weeks' trip by auto from Hamilton to Montreal, are spending a few days in town, the former with his brother, Edward Shurtliff, Charles street, and the latter couple with Mrs. Stafford's brother, W. Steacy, Pine street.

C. R. Cotton, W. J. Nuttall, James Davis and Daniel Bullis were in Kingston on Wednesday in attendance at the session of the I.O.O.F.

John Munden, George Thompson, Henry Parker and other members of Gananoque Lodge, No. 14, I.O.O.F., made a trip to Kingston by auto on Wednesday afternoon.

VIOLATED THE "DRY" LAW.

And Called Upon to Cover Fine of \$200 and Costs.
The Ontario Temperance Act pinches hard. Evidence of this is seen in the police court from day to day.

Charles Purdy found this out on Friday morning, when he was fined \$200 and costs with the option of three months in jail, for having liquor in a place other than his own private dwelling, although Purdy swore that the room in which a case of whiskey was found formed part of his own private dwelling.

However, the evidence went to show that there had been a violation of the Act, as the roof of the building covered a shop.

James Donnelly, who travels on crutches, blew into town on Thursday from Alexandria Bay with a big thirst and a flask of whiskey. The charge against him was that of being drunk in a public place.

The magistrate imposed the usual fine of \$10 and costs. Donnelly had close on to \$200 in his jeans.

His promotion to the position of senior major and second in command of the battalion is now announced.

JUDGMENT AGAINST MAN WHO WANTED TO VIOLATE CONTRACT

Made Agreement to Work on a Farm and Then Became Dissatisfied—Case Was Heard by Justice of the Peace Allison.

A case rather out of the ordinary came before Justice of the Peace Allison on Thursday, when A. E. Hawley was before him for refusing to carry out a contract he made to work on the farm for S. W. Greer and the latter's son, in Kingston township.

Justice of the Peace George Hunter was the main witness in the case. He said that a contract Hawley entered into to work for ten months on Greer's farm. The agreement was made and signed in his presence.

According to the agreement, Hawley, who has a wife and one son, was to receive \$500 a year, a free house and a quart of milk every day. His son was to act as chore boy, and his wife to have charge of the separator and the milk cans. Mr. Greer operates a large dairy farm.

Shortly after taking up the work, it is stated that Hawley became dissatisfied over his lot, and wanted to get away. He showed in evidence, that a debt of \$48 had been incurred by Hawley for furniture secured at a Kingston store.

The decision of the court was that Hawley must go back to his work and remain there until he had covered his debts. Afterwards, he got all his things, and Mr. Greer was willing that he should go. If he persisted in leaving, in spite of Mr. Greer, then he must serve sixty days in jail.

Hawley and his family came to Canada from England a short time ago, being brought out by the immigration department.

INCIDENTS OF THE DAY.

Local Notes and Items of General Interest.

The officers who have been attending the refresher course at Barrisfield camp finished the course on Thursday and are returning to civil life, because of the delay in putting conscription into effect.

After giving the Toronto and Charlotte police the slip, James Sullivan, a young man, was finally rounded up in Kingston on Friday morning on a charge of theft. He was caught on the steamer Kingston. It is alleged that Sullivan stole a suit case containing clothes.

Shanghai, China, July 27.—Serious fighting is again reported at Chen Tu, capital of Sze Chuen province, where Kwei Chow and Yunan troops have resumed the quarrel for the mastery of the province. The city is in flames, and the people are fleeing.

Chen Tu is the centre for the Canadian Methodist Church missionary work, and within the city are about a hundred Canadians.

LENINE AT LARGE AGAIN.

Following Battle at Tornea, Finland, With Anarchists.

(Special to the Whig.) Petrograd, July 27.—Nicolae Lenin, anti-war agitator, and suspected German spy, was again at large to-day, following a pitched battle at Tornea (Finland) between Government agents and Anarchists. Madame Kolontay, one of Lenin's most ardent supporters, and also suspected of being in the pay of the German Government, was arrested there, with a dozen other agitators.

Make Doherty Act Effective.

Ottawa, July 27.—Amendments which will make the Doherty Act effective in giving the provinces the full measure of prohibition for which their legislatures provide, were promised to a deputation representing the Dominion Prohibition Committee which waited upon Sir Robert Borden, Sir George Foster and Hon. C. J. Doherty.

HARDLY REALIZES HE IS SAME MAN.

Can't Describe How Miserable I Felt," Says Donnell—Like New Man.

"I have improved so much since taking Tanlac I can hardly realize I am the same man, and my wife says she hasn't seen me looking so well in a long time," said Frank Connell, 196 Mavety Street, Toronto, employed by the Gun Packing Co. Mr. Connell has lived in Toronto thirty years and his many friends will be glad to learn of his recovery.

"About six months ago I lost my appetite," Mr. Connell continued, "and soon fell off from a big healthy-looking man to almost a skeleton. My stomach was too weak and upset that I could hardly eat a thing and nothing tasted right. The gas that formed on my stomach caused sharp pains around my heart and interfered with my breathing. I would wake up at all hours of the night, had terrible nightmares, and would get up in the mornings as tired as when I went to bed. All my strength and energy seemed to leave me and I was just losing weight and going down hill every day. I would get so weak and dizzy I would have to catch hold of a table to steady myself. Every thing was just an hour of torture. I can't describe how miserable I did feel. I didn't have the color of life in me and my friends were talking about how bad I looked. I would come home from my work in the evenings all played out, fall across the bed and my daughter would have to take off my boots for me.

"I had no faith in Tanlac, but I bought a bottle any way, more to please my wife than anything else, and it has done me a world of good. My appetite returned, I began to eat and enjoy it and feel stronger and better. I have just started on my third bottle and there's no comparison in my looks and feelings. I am now eating three big, hearty meals a day and sometimes I can hardly wait for meal time to come. I sleep like a log every night and get up in the mornings full of life and energy. I am now putting in full time at my work every day, and when I get home I am as fresh as a daisy. I am dropping down on the bed like a dead man, I eat a hearty supper and go out and work around the house.

Tanlac is sold in Kingston by A. P. Chown.
