LIEUT. "BILL" HAZLETT

RETURNED TO THE CITY ON TUESDAY NIGHT FROM FRONT.

Was Wounded in the Head With Shrapnel and in the Arm With a Machine Gun Bullet.

Lieut. "Bill" Hazlett, 21st Battalion, one of Kingston's best known officers, arrived back in the city from the front on Tuesday evening and is now at his home, 83 Clergy street west.

Lieut. Hazlett left Kingston with the 21st Battalion under Lieut.-Col. (now Brig.-Gen.) W. S. Hughes. He received his commission on the field after a few months in France. From May, 1915, until April 9th, 1917 (the first day of the famous Vimy Ridge), he was almost continuously on the line. On April 9th he received a shrapnel wound in the

head, the piece having pierced his "tin hat." A machine gun also made a deep flesh wound in his right arm.

His nervous condition following such a long term of steady work as a subaltern brought him an order to go to England, and for two months he was in a convalescent home in Devonshire. This part of England is said to be the prettiest in the British Isles. The hotel, which had been converted into a convalescent home, was some 300 years old. There were only a couple of Canadians and a few British officers there, and British officers there to build him up.

He went to London for a medical board, and while there met many Kingstonsians. "Vic" Gilbert in the Forestry, "Ab" Stroud, who is in charge of the signalling for the engineers, J. Grady and many other Kingstonsians. He met Capt. and Mrs. Ernie Sparks in England.

Lieut. Hazlett returned to Canada on the same steamship on which he crossed with the 21st, the Metagama. Arriving at Montreal a great many of the men who worked with him on the R. & O. steamers were on hand to welcome him. Arriving in the city his relatives and friends also did him honor.

He has been granted two months' leave, and will spend the time resting after his hard work overseas.

WEDDED IN ODESSA

The Meagher-McCormick Nuptials on July 19th.

A wedding of interest to many took place in the Church of Our Lady of the Rosary on Thursday, July 19th, when Grace Anna McCormick the accomplished daughter of Mr. and the late Mrs. Francis McCormick, Kingston, was united in marriage to John Meagher, son of the late John C. and Mrs. Meagher, Marysville. Rev. Fr. Louis Staley performed the ceremony in the presence of immediate friends and relatives. The bride unattended, wore a smart tailored travelling suit of navy blue with shell pink georgette crepe blouse beaded with pearl trimmings, and hat to match and carried a bouquet of pale pink roses and maidenhair fern. Music was rendered by Miss Florence McCormick, Kingston, sister of the bride. After the ceremony the bridal party motored to the home of the bride where a sumptuous wedding breakfast awaited about thirty guests. The tables and rooms were beautifully decorated with cut flowers and smilax. The groom's gift to the bride was a gold peridot necklace; to the organist a gold mounted fountain pen. The other presents were many and valuable all testifying to their popularity. The bride will be greatly missed having, ably filled the duties of organist for a number of years. Mr. and Mrs. Meagher left via steamer Kingston for an extended honeymoon in the west carrying with them the best wishes of a host of friends. On their return they will reside in Marysville.

RED CROSS TO APPEAL

To Governor Whitman to Allow Sunday Ball in New York.

The Red Cross and Militia of Mercy are going to appeal to Governor Whitman to secure a repeal of the old blue law which prohibits Sunday baseball to which admission is charged. These organizations have made a special request to Governor Whitman to Albany to have him exert his influence to have the present restriction of Sunday baseball so modified as to at least permit the playing of games from which the proceeds are to be turned over to charity.

Meanwhile, the work of obtaining signatures to a petition asking that baseball on Sundays be legalized is being pushed vigorously. A large committee has the work in charge, and already an extensive list of signers has been obtained.

It is expected that by the time this petition is presented to the Governor and Legislature at Albany approximately half a million signatures will be appended to the petition.

COMMISSION IS UNDECIDED

ABOUT ESTABLISHING AN OFFICE ON PRINCESS STREET.

Can Get the Beapure Store—Electrical Dealers and Hardware Merchants Raise Objection.

The Utilities Commission had a special meeting on Tuesday afternoon, with Chairman R. H. Toye, Mayor Hughes, R. F. Elliott, G. Y. Chown and T. J. Rigney in attendance.

Two tenders were received for the Waterworks pump-house extension for the electric pump, but they were not satisfactory. It was decided, on the advice of the Hydro-Electric Commission engineers, to revise the specifications and extend the time for receiving tenders. The matter will be taken up with the Hydro experts by Manager Folger.

No decision was reached with regard to establishing an uptown office for the Utilities Commission. Mr. Elliott remarked that he had been ignored as a member of the special committee appointed to consider the matter. The other two members had been dickered for the leasing of a store on Princess street without consulting him. If he was to be thus ignored his usefulness on the Commission would be ended, and he remarked that he might as well resign.

Chairman Toye stated that all that had been done was to get an option on the Beapure store above Sydenham street. He had tried to get Mr. Elliott by telephone on two occasions, but found that he was out both times. There was no intention to ignore any member of the special committee.

An offer was received from E. Beapure to lease his store to the Commission for ten years at \$720 a year, without taxes.

Discussion arose as to the advisability of the Commission withdrawing its office from the City Buildings. This would mean a loss of \$400 revenue by the city and \$320 more in rent would have to be paid for the Princess street store, which would also be used as a showroom for electrical goods. Further consideration will be given the matter, and the special committee will, in the meantime make a report.

Two petitions were received protesting against the Commission establishing a showroom on Princess street. One was from the electrical dealers themselves and the other from hardware merchants handling electrical wares. They pointed out that such action on the part of the Commission would result in injuring private enterprise. The Commission will consider this phase of the matter when it deals with the report to be made by the special committee.

DR. ANGLIN MARRIED.

His Bride is Well Regarded in the Far West.

The Omaha Daily News says: Mrs. Robert Anglin is a bride whose marriage is of interest to Omaha society. Before her marriage last month she was Miss Mae Peake of Kansas City, and lived in Omaha until a year ago. She possesses a fine dramatic soprano voice, and was soloist at the Grace Lutheran church for some time. She studied dramatic art with Effie Steen Kittleson, and has taken part in several amateur theatricals.

The wedding, which took place in Kansas City, was a complete surprise to Dr. and Mrs. Anglin's friends here. They have just returned from their honeymoon, which was spent in the north, and included a tour of the great lakes, Canada, a fishing trip in Yellow Lake, Wisconsin, and stops at Buffalo and Niagara Falls.

Dr. Anglin is a member of the Country Club, and both are well known in Omaha.

Dr. Robert Anglin is a former Kingstonsian, a son of the late Samuel Anglin. He is a graduate of Queen's University, and has been living in Omaha for many years.
