

Interesting Events and Scenes in Canada and Abroad

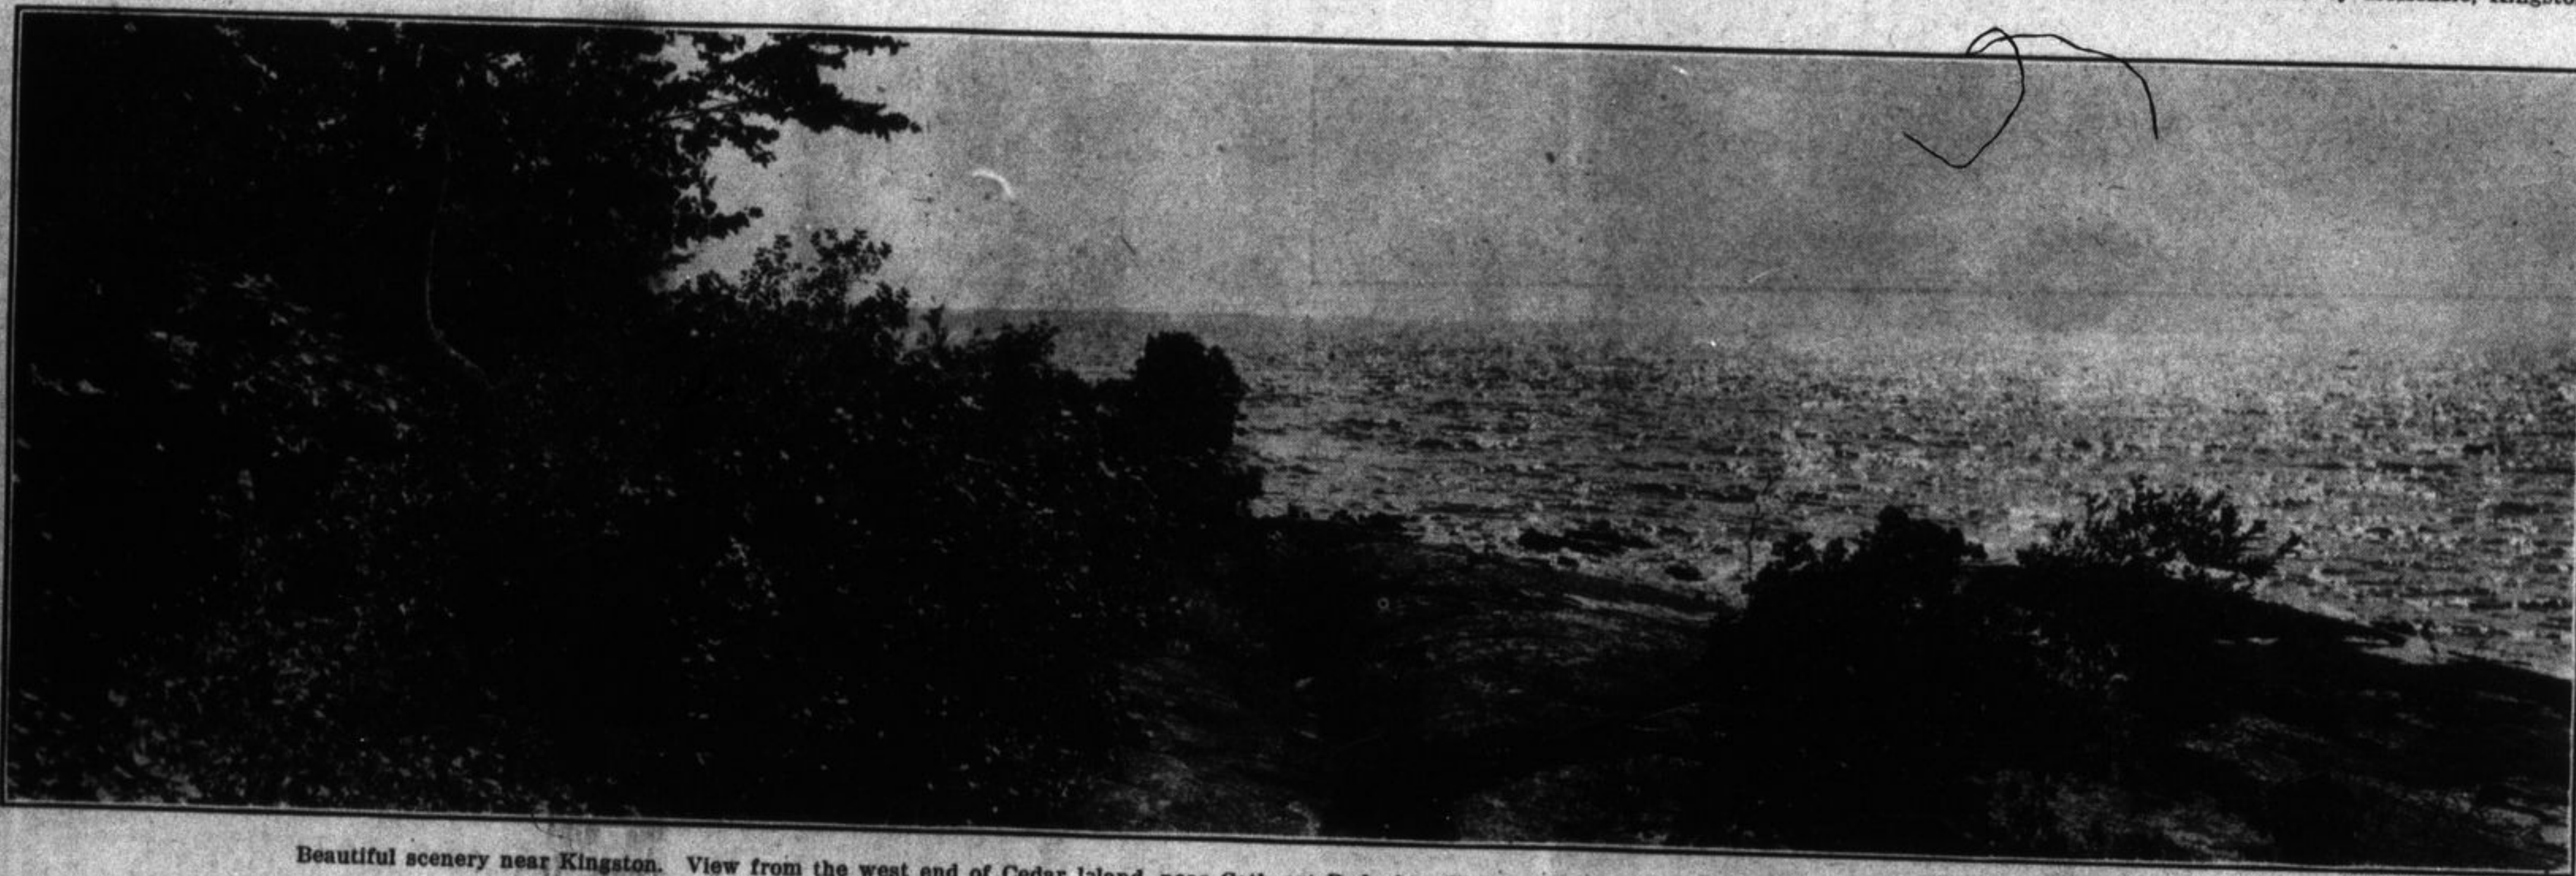

Draft from the Army Medical Corps Training Depot, Barriefield Camp, which recently left for overseas.

—Photo by McKenzie, Kingston.

MISS GLADYS E. LESLIE, Daughter of David Leslie, Piccadilly, Ont., overseas with Queen's College Medical Corps.

Beautiful scenery near Kingston. View from the west end of Cedar Island, near Cathcart Redoubt. Wolfe Island can be seen in the centre distance, just to the left.

—Photo by McKenzie, Kingston.

Helmeted against shrapnel bullets: A Canadian soldier's swim in a shell-crater.

A phase of the work behind the lines is shown in this photograph of a cantonment in the Meuse region. Advantage has been taken of the caves in this region to provide well-sheltered store-rooms for the large variety of supplies which must be kept as handy as possible to the trenches.

A preliminary scene to the launching of the Or'eans, a new ocean freighter turned out a few days ago from a shipyard in Toronto. The tonnage of this boat is 4,600; her dimensions are 261 feet overall, beams 43 ft. 6 in., depth 28 ft. 6 in. She is expected to be on the Atlantic some time this fall.

An interesting event: A meeting between the Governor of Algiers and the Commander-in-Chief at Gibraltar.

Agricultural machinery destroyed by Germans before abandoning French territory.

12—In World of Sport; Mutt and Jeff.

Very activity was quite intense before Beaumontelle, Pervyse and Nieuwepelle.

live on Union street, and three months and three brothers as follows: Mrs. R. J. Gardiner, Bagot street, city;

nounced today.

land were victims of German air raiders.

A little silver answer: I am sure. —ANONYMOUS.
