

School Suits are Ready !!

It's time to be thinking of school suits again. Start the boy to school with a good suit. It will help him along in every way. He will command more respect, have more respect for himself, and take more interest in his work than he will if he is made to wear an unsightly, ill-fitting suit.

Boys' School Suits, pinch back and Norfolk cut, durable materials, strongly put together, well cut and well tailored.
\$6.50, \$7.00, \$7.50 up to \$10.00.

Dressed in one of these excellent school suits the boy will do himself justice. Many of our suits have extra trousers.

Military News

Canadian soldiers who married subsequent to the declaration of war are well pleased with the new ruling which cancels the prior existing regulation which made it imperative that such marriages should result from engagements antedating the war. The new order is retroactive and permits the interested wives to draw separation allowances since the marriage dates. The order also provides that should the soldier himself have neglected to apply for separation allowance, the wife may do so through his commanding officer. No fewer than 14,500 Canadian soldiers are now being provided for under the Pensions List. Soldiers remain on full pay until the pension begins.

The Kingston Bulletin says: An officer, attached to one of the local military units in this city, engaged a horse and rig on Tuesday last at Guess' livery and drove out to the country. He arrived back all right in the evening, when the hostler, (Cuddy McMahon) was washing the mud from the buggy he "spotted" a purse, and upon opening it he found \$50. He handed it over to Mr. Guess, who in turn, sent it on to the owner. What do you think poor "Cuddy" received as a reward for his honesty from the soldier boy? Just a paltry twenty cents.

Major J. L. Newman, who was in charge of the 38th Battalion Reinforcing Draft, has arrived at the camp, the unit having been transferred to the Eastern Ontario Depot Battalion. All told for this draft thirty-seven men were enlisted ten of whom will remain in Brockville until Thursday and then go to Barriefield.

The axe that makes a separation between officers and their positions has now struck Lieut. K. McKinnon, who for several months has been checking up the pay lists and nominal rolls of the various units of the district. Lieut. McKinnon has had authority to call a muster parade at any time and in this manner was able to check any discrepancies, in the nominal rolls. He is being granted a month's pay and leave and will then be struck off the strength.

Capt. R. R. McGregor, A.M.C., is in Ottawa categorizing the Railway Construction and Forestry Depot men to ascertain their physical fitness for that and other services.

N.C.O.'s for depot battalions are being selected by the General Staff Officer. Capable men for the positions will be trained at the schools for the purpose.

Lieut. D. M. Jemmett, Canadian Engineers, and Lieut. A. McNulty, 33rd Battery, have been transferred from the C.O.M.F. to the C.E.F. in Canada.

Last night was "open night" in the "Y" tents, the boys engaging in games, amusements, voluntary singing, etc. A great many men spent the evening in the writing tent, dropping lines to those at home.

Lieut. F. Burrows, Guelph, attached to the 2nd Division, 6th Brigade Howitzer Battery, Canadian Forces, has been severely wounded in the right arm. He took out his commission for lieutenantancy at the Kingston School of Artillery.

Major G. I. Campbell, Chief Recruiting Officer returned to the city from Picton on Tuesday. He went with Mr. Young, manager of the film, "Canada in Khaki" to Collins Bay and showed the film there. This film has been doing splendid work throughout Military District No. 3. It shows the soldiers in their camps, on march past, route marches, etc., and has been the direct means of obtaining many recruits.

After about two more weeks of work here the film will be leaving this district and going to Toronto district. The official explanation of the Military Service Bill will probably accompany the film.

A letter of condolence has been sent by Lieut. Col. W. Y. Mills, O.C. 14th Regiment, to Mrs. A. H. Tett expressing the sincerest regret on behalf of the regiment officers on the death of her husband, Capt. A. H. Tett, in England on Monday. The late Capt. Tett joined the 14th in June, 1915, and served with the 59th Battalion, 14th Regiment Guard, as adjutant of Fort Henry, and then as officer commanding the Military Hospitals Commission before going overseas with the 253rd Battalion.

Because of the impending conscription there should be a splendid response to the appeal for recruits to the 14th Regiment. This unit has been of splendid service since the war in recruiting men for overseas service and keeping officers to guard military buildings, etc., in and around the city.

The Whig suggests that the Militia Department make an attempt to complete the splendid work of decorating the slope of the hill from Artillery Park.

The day war was declared the 14th Regiment was ordered to furnish a guard of 200 of all ranks to guard military buildings, stores, prisoners, etc., in and around the city of Kingston. The detachment from the 14th has proved itself to be one of the best recruiting units in this district, having already sent overseas some twenty officers, two of them in command of battalions, and almost enough n.c.o.'s and men to make up a complete battalion. The personnel of the guard is continually changing—men sign up for guard duty, and liking the life and training in a few months often decide to go overseas, and their transfer is soon effected. A week never passes without some new transfer being made. The strength of the guard in Kingston is now 125 men, in addition to a detachment of fifty men

guarding German prisoners at Kapuskasing.

The quarters at Artillery Park barracks are not excelled in Canada, the food is excellent, and if any of the men at present on the strength have any complaint it is only because for some slight physical defect they have not been allowed to go overseas with so many of their comrades who are now in France.

At the Theatres

At The Grand.
To-night will be the last presentation of Harold Lockwood and May Allison in their greatest production, "The Hidden Children". After thousands of feet of alleged male brutes and mopey "heroines", you will find this romance like a cold shower on a hot day. Other features, comedy reels, and Horns & Delon, the musical wizards, in a high-class vaudeville offering complete a sterling programme.

For Thursday, Friday and Saturday of this week another unbeatable programme has been secured. The main attraction is charming June Caprice, "The Sunshine Maid," in her latest offering, entitled "Fatty." This excellent William Fox production in five parts portrays the delightful romance of a young girl and a wild clubman. Miss Caprice is one of the youngest and most popular stars of the screen, and in this production she is said to exceed all expectations. The latest Fox News, first class comedy reels, the best vaudeville in town, will complete the bill.

At Griffin's.
The audience at Griffin's last evening were highly pleased with the entire programme. Miss Petrova's first Lesky picture for Paramount "The Dying Flame" is a picture of Mystic Egypt, is filled with the charm of that quaint land. Maurice Tourner is the director of this fascinatingly unusual picture which will be shown for the last time this evening. The eighth episode of that exceptionally clever serial "The Mystery of the Double Cross" is one that should be seen by all and together with a very funny comedy picture complete a high-class evening's entertainment.

At The Strand.
Capacity business greeted the exceptionally good bill provided at the Strand last evening. William Gillette the celebrated Broadway star was seen to advantage in his latest 7 reel screen success "Sherlock Holmes." In this production Mr. Gillette has many favorable opportunities to display his ability as a versatile actor. "Fatty" Arbuckle in "A Rough House" also held the boards and was well received. This programme will be shown for the last time to-night. For the last three days of this week the feature photoplay will be "The Danger Trail" with H. B. Warner in the stellar role.

At Lake Ontario Park.
The performance offered at Lake Ontario Park last evening was high class and pleased all to the utmost. In the vaudeville, Guy Stone the harpist, played several Irish pieces and sang "I'm Thinking of Old Ireland, I'm Dreaming of You." Miss Kathleen Mackay sang in splendid soprano voice, "Come Back to Erin," "My Wild Irish Rose," and Charles Elliott's "Yoda Song." Both were loudly applauded. The moving pictures were "The Faith Gazette," "The Shooter Fortune," a comedy, "The Far Fare." On Thursday night new songs will be given and new pictures placed on the screen.

GERMANY SURRENDERS FULLY TO ARGENTINA

Complete Back Down In Exemplary Argentine Vessels From Sub. Attack.

(Special to the Whig)
Buenos Aires, Aug. 29.—Germany surrendered to Argentina precisely the same principles as to neutrals' rights in the submarine zone that she refused to relinquish to the United States.

This was the outstanding comment today in both official and public circles over Germany's complete "back down" in her latest note received last night. It was regarded as highly significant of the change of front from the ruthless submarine policy which ranged the United States and Brazil with the Allies.

Miss Myrtle Luella Conley, Madoc, and Harvey Dougherty, Bellefleur, were quietly married in Madoc on Aug. 15th.
