DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

There is not a summer passes without thousands of people, especially infants, being attacked by Summer Complaint.

The prostration, often verging on collapse, which sometimes accompanies this disease makes it one of the most serious and dangerous we have to contend with during the hot months.

A remedy which will quickly offset the vomiting, purging and the profuse diarrhoea is Dr. Fowler's Extract of Wild Strawberry.

Mrs. Thomas H. Thurlait, Grand Anse, N.B., writes: "My three children were very sick with Summer Complaint during the hot days last Summer. I thought one day that they would die, and I didn't know what to do to cure them. I happened to have one of your almanacs in the house, and found by reading about Dr. Fowler's Extract of Wild Strawberry that it was a good remedy. I at once got two bottles, and they perfectly cured them. I recommend everybody to use this wonderful remedy."

When you ask for "Dr. Fowler's" see that you get it.

It has been on the market for the past 72 years.
