MEDICAL TESTS UNCHANGED THE STANDARDS ARE THE SAME AS IN MAY LAST

Three Classes Are Open For Men Who Pass the Doctors, According to Physical Condition.

Considerable doubt apparently exists in the minds of young Kingstons as to who will be accepted by the military authorities under the terms of the Military Service Act of 1917. The physical tests imposed here are strictly in accordance with the regulations issued for the Canadian Expeditionary Force in May last.

Class A. The first class includes all men actually fit for despatch overseas, both as regards training in Canada and physical and mental qualifications and men who will be fit as soon as trained. They must be able to march, see to shoot, hear well, and absolutely well able to stand active service conditions.

Class B. This class includes men for service abroad, but not for general service. Men allotted to this category would have to be free from serious organic defect, and able to stand service on the lines of communication in France.

Class C. The third class comprises men who are fit only for service in Canada. They must be free from serious organic disease able to stand service conditions in Canada, to march at least five miles, see to shoot with glasses and to hear well, and able to go to and from work a distance not exceeding five miles.

Other Conditions. The loss of the index finger alone, or the middle finger alone or the loss of the fourth or fifth fingers or both of these uncomplicated by other disability of the hand prevent a man being sent to the trenches, but do not excuse him from being employed for duty on the lines of communication in France.

Mundic on Tweed Farm. Tweed, Sept. 21.—Peter Lusk, Jr., disposed of 50 acres of his one hundred acre farm to a syndicate of Niagara Falls capitalists. The fifty acres has been turned over to Ferno O'Coin, who owns the adjoining farm and from whom the purchasers above stated have bought the mineral right. Sufficient prospecting had previously been done to warrant an abundant supply of mundic on Mr. O'Coin's property, and negotiations for the purchase of the mineral right have been quietly going on for some time. It is the syndicate's intention to begin mining operations as soon as a staff can be secured, and after a thorough test has been made of the possibilities of the property to erect buildings and to operate on a large scale.

MARRIED ON TUESDAY Two Young Kingstons Have Joined Hands and Hearts.

On Tuesday Sept. 18th at 11 o'clock the home of Mr. and Mrs. H. A. Dunlop, 468 Brock street, was the scene of a quiet but pretty wedding, when their second daughter, Hazel Gertrude, was united in marriage to William Harold Cockburn, only son of Mr. and Mrs. William Cockburn, 149 Bagot street. The bride looked very dainty and pretty in her traveling suit of nigger brown gabardine, with chic blouse of maize georgette crepe, and hat of nigger brown velvet and maize. She wore the groom's gift a handsome sunburst of pearls with diamond centre. The maid of honor was the bride's sister, Miss Grace, gowned in white voile, and wore the gift of the groom a pearl ring. Miss Florence Dick, cousin of the bride played the Wedding March, and received a pearl brooch from the groom. A large collection of beautiful presents testified to the popularity of the bride and groom, who on their return from a short honeymoon, spent in western cities will reside in their new home, 243 Queen street.

Scale-Redden Wedding. A pretty wedding was solemnized at the home of Mr. and Mrs. Charles Redden, Harrowsmith, Wednesday, September 19th, at 10:30 a.m., when their only daughter Elythe Lorraine, was united in wedlock to Henry Edgar Seale, of Pittsburg. The bride was beautifully attired in a gown of white paillette with georgette crepe and pearly trimmings, and wore as sole ornament the groom's gift, a handsome sunburst set with pearls. She presented the picture of girlish loveliness as she entered the drawing room leaning on the arm of her father, who gave her away. The ceremony was performed by Rev. A. W. Stewart, Harrowsmith. While the church bells were pealing forth their notes of gladness, congratulations and best wishes were expressed, after which the guests, preceded by the bridal party, repaired to the dining-room, where a dainty wedding breakfast was served. The high esteem in which both young people are held was testified to by the numerous and costly gifts, among which was a substantial cheque from the bride's father and a handsome silver cassarole and silver pitcher from the inspector of Kingston Post Office and from the staff of which Mr. Seale has for several years been a member.

The happy couple left amid showers of rice and confetti for New York, Philadelphia and other points. On their return they will reside in Kingston.

LARGE ADDITION TO LONDON PLANT OF CORN FLAKES

Building to Cost \$50,000 Will Be Erected at Present Site.

MORE MEN EMPLOYED Contracts Are Let and Permit Secured to Start Work Now.

Announcement is made through the City Industrial Department of an addition which will probably exceed in cost the sum of \$50,000 to the well-known plant of the Battle Creek Toasted Corn Flake Company, Limited, on Dundas street east, makers of Kellogg's Toasted Corn Flakes. This amount will include buildings, storage tanks and machinery. The additional buildings will be of brick and concrete, a three-story building of 50x60 feet, and a one-story building of larger dimensions. This addition to the plant will, when completed, require the employment of a number of additional men. Six large fire-proof storage tanks will be erected. The contract for the buildings and grain tanks has been let the Archibald & Holmes Company of Winnipeg, the contractors who are building the new Hunt mill.

The increased demand for the original Kellogg's Toasted Corn Flakes in the red, white and green packages, so well known, and which has been made here in London for over eleven years, necessitates this considerable addition.

Told In Twilight

Miss Loretta Swift, Miss May Rogers, Miss Mamie Garrett, Miss Isabelle Wallron and Miss Maxine Morris who went to Deseronto for the Royal Flying Corps dance on Thursday evening were the guests of Miss Marjorie Rathbun, while Miss Eleanor Minnes, Miss Gwenneth Merrick, Miss Mabel Richardson and Miss Hazel Browne were with Mrs. John Aird.
