

"A GLIMPSE IN TO THE PAST"

(Continued from page 19.)
of doubtful compliments paid to honorable friends. "Mr. Speaker," said a leading member from New Brunswick, "I have listened with great interest and some amusement to the remarks which have fallen from the lips of my honorable friend in reference to the policy of the Government. Why, Mr. Speaker, the policy of the Government—and there he sits, an effete politician, dandling upon his knee the posthumous child of a previous administration and counterfeiting the joys of paternity."
Still more pungent are the words of another leader, in allusion to an equally distinguished opponent: "Sir," said he, "in the light of the astounding statements which we have just listened to at such inconvenient length, I think I am justified in saying that had Sapphira lived in the time of her honorable gentleman, she would infinitely have preferred him to Ananias."

Most Turbulent Scene.
The most turbulent and unruly scene I have ever witnessed in the House was on the 10th of May, 1878, such being the last day of the second Parliament. Utter chaos and confusion held high carnival. Leading men on both sides used language which I do not care to repeat, while eyes flashed and fists were clenched, and rank ranks pressed closer to each other. Luckily, this row of perhaps ten minutes' duration was quelled by the arrival of Black Rod, and the only blows struck were those of that official as he hammered on the front door. But Parliament had passed through a violent spasm, and its speedy oblivion was not unwelcome. In my experience of public and official life, I have found no evil more to be guarded against than that intolerable disease which is popularly known as "swelled head"; there is no more blighting mental malady, for it turns the once modest man into something which his fellow creatures care to see but rarely. Happily, such cases are not epidemic here, but everywhere, where men are placed in positions of sudden and widespread authority, they are to be found.
In the years that have gone, history has seen many important changes: There are telephones and wireless telegraphy, typewriters and aeroplanes, motor boats and automobiles, strikes and suffragettes, smokeless powder and weapons of such range as to put the enemy out of business when he is miles away, but above all these facilities for rapid life and sudden death, we are proud and contented in the possession of a country of vast and valuable resources of great areas, and possessing all those natural advantages which in the golden future before us must make Canada one of the richest nations of the earth, and the happy home of many millions.

HAD A GOOD FAIR.

Rev. T. C. Cassidy Visiting On His Old Charge.
Catarqui, Sept. 19.—A very successful school fair was held on Monday. The children were very much in evidence. The parade of the different schools was an interesting feature of the programme.
Rev. T. C. Cassidy, Lachine, Que., a former pastor, preached in the Methodist Church on Sunday evening last. He and his son, Halton Cassidy, B.A., motored from Montreal with K. Brehner, Kingston. They will remain about a week.
Some of the men from here are attending Wolfe Island fair to-day. Mr. Hunter, Rochester, N.Y., is visiting Mr. and Mrs. Post. J. Gordon spent a few days with friends in Ottawa. Mrs. T. Gardner has been with her cousin, Mrs. T. Carnovsky, Kingston. Archibald Knight went home with his son, Dr. A. Knight, to Rochester, N.Y. Miss Dorothy Nicol, Kingston General Hospital, and Stuart Nicol, Royal Flying Corps, Toronto, have been at their home here.

NEWS FROM LANSDOWNE.

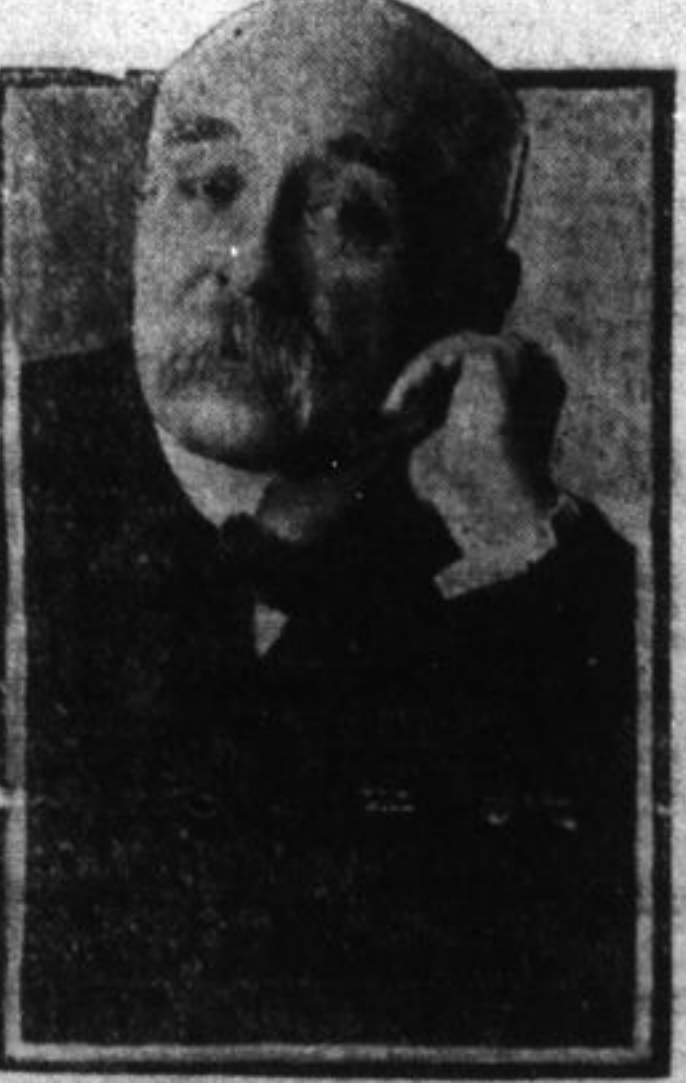

Pte. Mallory Shaw to Instruct at Mowat Hospital.
Lansdowne, Sept. 19.—Quite a number from here attended the Ottawa Exhibition. Among others were Mrs. E. E. Johnston, Mr. and Mrs. Leslie Latimer, Mrs. G. F. Johnston, and Rev. Mr. Winter and Mrs. Winter. All returned on Saturday.
The marriage took place on Saturday, Sept. 15, of Thomas Tilton, of Pakenham, to Miss Erma Haskin. The ceremony took place at the home of David Haskin. Rev. Dr. Cooper officiated.
Miss Lizzie Ferris, operator at the Central Telephone, has resumed her duties there after a long illness. Mrs. Davis has rented the house recently occupied by the late Mrs. Goodall. Harry Hunt, it is said, has rented the Graham house on Mill street. Fred. Van Camp, of Fairview, N.Y., is visiting his sister, Mrs. A. W. Burch. Mrs. Thompson, of Kingston, was a visitor at the Tilton-Haskin wedding. Mrs. Stillwell, of Elgin, is a guest of Mrs. Firman Cross. D. Warren, of Port Arthur, has sold his farm in Mooretown to Urban Warren.
The people are sorry to lose some esteemed residents, namely, Frank McNamie and family, who intend shortly to remove to Kingston.
Pte. A. Mallory Shaw, returned from the front, has received his discharge. He has accepted a position as instructor of languages at the soldiers' school at the Mowat Hospital, Kingston. Miss Anna Latimer, of Hamilton, is visiting friends here.

Curing Skin Troubles

So many people, both men and women, suffer from skin troubles, such as eczema, blotches, pimples and irritation that a word of advice is necessary. It is a great mistake for such sufferers and those with bad complexions to smear themselves with greasy ointments. Often they could not do anything worse, for the grease clogs the pores of the troubled skin and their condition actually becomes worse.
When there are pimples or eruptions, or an irritating or itching rash, a soothing boracic solution may help to allay the irritation, but of course that does not cure the trouble. Skin complaints come from an impure condition of the blood and will persist until the blood is thoroughly purified. It is well known that Dr. Williams' Pink Pills have effected the best results in many forms of skin disorders and blemishes. This is due to the fact that these pills make new, rich blood, and that this new blood attacks the impurities that give rise to skin troubles and disperses them; so that Dr. Williams' Pink Pills cure skin disorders from within the system—the only sure way.
It should be added that Dr. Williams' Pink Pills have a beneficial effect upon the general health. They increase the appetite and energy and cure diseases that arise from impure blood.
You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

PREMIER PROMISES WOMEN FRANCHISE

To All of British Birth and Right to Naturalization Same as Men.

Vancouver, B.C., Sept. 21.—In the event of Premier Borden's return to power it is his intention to confer the franchise upon women generally, and to make important amendments to the naturalization act, relieving women from discrimination as compared with men. In a letter to Mrs. J. G. Perry, of Vancouver, the Premier says:
"In case I am returned to power it is my purpose to place upon the statute book a measure granting the franchise to all women of British birth, and conferring upon women of foreign birth the right to seek and obtain naturalization on their own behalf, so that they may thus become endowed with the same privileges after suitable residence in this country, and perhaps after suitable educational tests. The same measure should provide that a woman of British citizenship should not lose that citizenship upon her marriage except with her own consent."

Women always think they mean what they say at the time they say it.

PRINCE EDWARD COUNTY AGRICULTURAL FAIR

The Exhibits Excel the Best Record — Entertainment Features Also Good.

Pictou, Sept. 20.—The sixty-fifth annual Fair of Prince Edward County Agricultural Society opened here Tuesday, with ideal weather prevailing throughout three days of the Fair. The band of the 48th Highlanders of Toronto is in attendance, and the Fair was never better. There is more stock, and exhibits generally are in excess of the best Fair record. Particularly is the showing of cattle and horses to be mentioned, as also is the display of vegetables, grain, etc. As to quality and quantity they eclipse all former shows. While the fruit is not so plentiful this year, yet the exhibit surpasses the directors' expectations, all kinds of apples, pears and plums being represented, and of good quality.
Prizes were offered for the best model of a flying machine, which produced a number of marvellous attempts. The Ontario Government thrift move, with a lady demonstrating the food values of commodities to lessen the cost of living, proved an attractive exhibition. The manufacturers' display was also well represented.
Last evening the baby show and the concert by the 48th Highlanders' Band drew 1,500 people to the Armories. The feature of the evening concert was the recitation of Tennyson's poem, "The Charge of the Light Brigade," with band accompaniment by A. E. Pearsons of New York.

By next Thursday Toronto is to have a fresh water fish supply direct from Lake Nipigon controlled by the Ontario Government, with the profits of the sale of the fish to the retailers going to the provincial treasury.

THE BLESSING OF A HEALTHY BODY

Has Not Had An Hour's Sickness Since Taking "FRUIT-A-TIVES"

MR. MARRIOTT
78 Lees Ave., Ottawa, Ont., August 9th, 1915.
"I think it my duty to tell you what 'Fruit-a-tives' has done for me. Three years ago, I began to feel run-down and tired, and suffered very much from Liver and Kidney Trouble. Having read of 'Fruit-a-tives', I thought I would try them. The result was surprising. During the 3 1/2 years past, I have taken them regularly and had not change for anything. I have not had an hour's sickness since I commenced using 'Fruit-a-tives', and I know now what I haven't known for a good many years—that is, the blessing of a healthy body and clear thinking brain."

Help to Save Canada's Fruit Crop
A Practical Thrift Suggestion
This year, as never before, every quart of Canada's fruit crop should be used to the very best advantage. Though it all ripens within four months, it can be made to supply every table, every day in the year, at moderate cost.
Canning and preserving, done at home at the time when each fruit is cheapest, provide in delicious and economical form the daily fruit so necessary in a wholesome diet. Fruit put up at home is much cheaper than that which you buy, and the slight increase in its cost, due to the higher price of sugar, is small compared with the mounting cost of other foods.
Successful preserving and canning are by no means difficult, either, if you are careful to boil everything, and use
