

Production

Increased effort and efficiency in labor, more economy and less waste in living, building up capital by hard work and greater savings will enrich you and your country. The men who work at home must produce more to cover wage waste.

It is easier to make money than to save it. A Savings Account at The Bank of Toronto will help save what you've increased effort provides.

11 Branches in Toronto, 119 Branches in Canada.

YOUNG LAD MAY LOSE SIGHT OF EYE

Lawrence Muchmore is Suffering Much Pain in the Hotel Dieu.

A serious accident occurred on Sunday afternoon and as a result little Lawrence Muchmore, the eight-year-old son of Richard Muchmore, 27 John street, may lose the sight of his right eye.

The youngster was playing in his home with some 22 bullets when the powder exploded, and it is thought that a little has lodged in the eye.

Dr. A. W. McCarthy was called and the lad was taken to the Hotel Dieu. Dr. C. E. O'Connor was summoned in consultation but nothing definite could be decided as to his condition owing to the blood that has clotted in the eye.

The little boy spent a restless night, and he was taken to the operating room on Monday morning with a view to making an examination. The eye is in a very serious condition but it is hoped that it can be saved.

Boys' Work Conference. Preparations are being made by the boys' work department of the Y.M.C.A. for the boys' work conference. It is expected that about three hundred boys from neighboring counties will be in attendance, and a four-days' programme has been laid out.

Anthraxite coal has been discovered 87y miles from Fredericton, N.B.
