MEDICAL EXAMINATION

TO ADD ADDITIONAL BOARDS TO EXAMINE CLASS

Col. Gardiner, A.D.M.S. No. 3 District Urges Men to Go Before Medical Officers.

Col. Gardiner, A.D.M.S. of No. 3 District, Kingston, which stretches northward to Pontiac county, assured the Ottawa Citizen that more medical boards are being organized and will be at work in the former Base Recruiting Office at once.

These will be sufficient with the old boards to undertake all the medical examinations cards issued, and provide immediately medical examination for all young men coming from outside points tributary to Ottawa.

But the A.D.M.S. wishes to emphasize the importance of men wishing examination to go before the medical boards of their own, or the nearest town to their home where medical boards will sit, such as Smith's Falls, Carleton Place, Renfrew and Pembroke, etc.

These men who get examined before one medical board, are classed "A" or "B," and wishing to avoid service, go before another medical board elsewhere, hoping for a poorer physical classification, will only waste their time.

It is proposed to have men of class one rejected for overseas service drill one night a week.
