COUNCIL SAVES LIBRARY

BY GIVING IT AN EXTRA GRANT OF \$800

Repeals the Curfew Bell By-law—Ald. Couper Calls For a Purer Water Supply. The City Council last night decided to help the Kingston Public Library board out of a hole by granting it \$800 to pay outstanding debts and keep the library going.

Mayor Hughes informed Council that if a grant of \$800 was not made by the city, the library would have to be closed as the Board reported it had bills of over \$1,000 outstanding and there was no means of meeting them.

Ald. Wright thought the time had arrived for a Carnegie library to be established here. While favoring the \$800 grant he did not want to have to vote next year to repeat this. The board would have to be more economical and not spend more than it was receiving.

Ald. Kent explained that all the energies of the library board could only take care of outstanding debts over and above the \$800, which was being asked from the Council.

Ald. Couper directed the attention of the mayor to the fact that the city's water supply was again declared impure. He thought the time had arrived when something should be done to get a purer water supply for the citizens.

HAD PILES FOR TEN YEARS

And Tried Nearly Everything Except a Surgical Operation Without Obtaining Relief—Tells How Complete Cure Was Effected. Brantford, Ont., Nov. 6.—There is reported here three cures of chronic cases of piles. In all three cases many treatments were tried before it was discovered that Dr. Chase's Ointment is about the only real cure for this distressing ailment.

Mrs. Wm. Shantz, 155 Albert street, Kitchener, Ont., writes: "For several years I was troubled with bleeding piles. I tried different remedies for relief without success. I read in Dr. Chase's almanac of the benefits other people were receiving from Dr. Chase's Ointment, so I sent to your office for a sample box."

Mrs. F. Cussons, Victoria street, Ingersoll, Ont., writes: "About two years ago I had a hair which was suffering from Piles. I had tried many different remedies for this distressing trouble, but nothing helped me. Finally I got a box of Dr. Chase's Ointment, and after using it found that I was completely cured, and have not been bothered in this way since. I can cheerfully recommend Dr. Chase's Ointment to anyone suffering as I did."

GOT WET FEET

TOOK AWFUL COLD

COULD NOT SLEEP FOR COUGH.

A bad cold accompanied by a distressing cough that keeps you awake at night is most aggravating and unless it is attended to at once may develop into something very serious.

Dr. Wood's Norway Pine Syrup is the remedy you should take. It heals the mucous surfaces, relieves oppression and tightness of the chest, removes the accumulation of phlegm, quiets the most obstinate and distressing coughs, and secures rest and sleep at night, not only to the sufferer, but to others whose rest would be otherwise broken.

Mrs. Ezekiel Acker, Lake Pleasant, N.S., writes: "I got wet feet and took an awful cold; could not sleep at night, and would do nothing but cough. My husband got me a bottle of medicine, but it was not worth bringing home. It was going to call the doctor in when a friend asked me to try Dr. Wood's Norway Pine Syrup. I did, and I must say that of all the medicine I ever took, it is the best, and relieved me the quick-est of anything I ever saw."

Dr. Wood's is put up in a yellow wrapper—three pine trees the trade mark; price 25c and 50c; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

The terrible condition of the Bagot street dump was again brought before Council by Ald. Polson. Ald. Newman said that the garbage committee at next Council meeting would present a report upon the matter.

Intemperance Fines.

Chief of Police Bailie reported that during the first year of the Ontario Temperance Act, 188 complaints were made and disposed of as follows: Complaints by police, 155; number of convictions, 147; dismissals, 13. Complaints by inspectors, 23; convictions, 23; dismissals, 8; withdrawals, 2.

Ald. Nickle reminded Council that it was in response to his motion, passed by Council on Oct. 22nd last, that the report of Chief Bailie be received, but it was not complete as it did not state the amount of fines received by the city for temperance infractions and those paid to the Ontario Government.

FIRE DESTROYS BOYD'S GARAGE

(Continued from Page 1.) were insured, but for the most part they carried no insurance. The fire was a most spectacular one, and a large crowd was attracted to the scene. The firemen worked on the job until after 10 o'clock. In view of the rapidity with which the fire spread, the department did excellent work. It had the blaze under control within an hour.

The Cars Destroyed. The following lost cars in the fire: Ex-Ald. William Peters, two cars; F. Martin, Harry Moore, James Hughes, Alexander Duncan, Arthur Craig Principal Gordon, Ross Carnegie, Charles Donoghue, Wilnot Bros., truck; W. T. Fox, G. A. Bateman.

George Boyd lost five second-hand cars on which he carried no insurance. The building is owned by Frederick Bibby, who for many years carried on a livery business there. His loss on the building is covered by insurance.

Second Fire to Occur. Monday night's blaze marked the second to occur in this garage. It will be remembered that several months ago, when Mr. Boyd took over this business he suffered quite a loss by fire, but at this time there was no heavy loss of cars.

Just a few weeks ago Fire Chief Armstrong was at the General Hospital giving the nurses a lecture on fire prevention. The nurses will now likely hold the Chief there to give them further instructions.

The Morning After. The garage presented a dismal scene on Tuesday morning. The cars which had undergone the siege of fire were a torn and tangled mass. A few of them might be of some use but the most part will go into the scrap pile.
