

BULLETS WIN BATTLES; BONDS WIN WARS

\$410,000 IS SUBSCRIBED SO FAR TO VICTORY LOAN

Kingston Is Doing Nobly — The Objective May Be Attained in One Week Instead of Three Weeks.

The thermometer in front of the Whig office is still going up, showing that subscriptions for the Victory War Loan are pouring into the coffers of the Minister of Finance for use in supplying the machines of war for the Canadian soldiers.

A quarter of a million dollars the first day and 160,000 on the second day is certainly a record which Kingston may be justly proud.

We are eminently satisfied with the result of the two days' canvass, said G. R. Warburton on Wednesday morning, and we only hope that we shall be able to attain our objective in one week instead of three weeks.

That the organizer and canvassers are doing their part is shown in a telegram which the Whig managed to see on Wednesday morning. It was sent by Norman Sommerville, headquarters organizer in Toronto.

Novel and unique schemes to preserve the interest and co-operation of citizens in the campaign are being considered, and it is known that no person will be able to say that they didn't know anything about the campaign.

SERVING ON NEWLY ORGANIZED INTER-ALLIED MILITARY COMMITTEE

The conference of British, French and Italian representatives has resulted in the creation of a permanent inter-Allied Military Committee. New leadership for the Italian army has been provided. General Cadorna, who has been in supreme command of the Italian army since the beginning of the war, has received a place on the new committee.

CANNOT BREAK ITALIAN LINE

Attempts Made By the Teutons in Northern Italy Have Failed.

ENEMY IS DRIVEN BACK

AND ITALIANS LIBERATE SOME OF THE PRISONERS.

Gen. Diaz Made a Counter-Thrust Near Canove—The Enemy Was Forced From the West Side of the Piave. London, Nov. 14.—The Italians apparently are holding the Teutonic allies fast along the greater part of the curving battle-front extending from Lake Garda, south of the Trentino region, to the Adriatic Sea.

To the northeast of the town of Asiago the Germans report the capture of the town of Fontaso, and northwest of Asiago, on the Sette Comuni, the fortified position of Montebelluna. On the southern Piave, between Montebelluna and Zenson, some 25 miles northeast of Venice, the enemy forces crossed the stream and established a bridge head on the west side of the Piave.

OFFICIAL WAR REPORTS.

British.

London, Nov. 13.—The British official communication issued Monday says: "Belgian troops carried out a successful raid yesterday morning against a hostile post south-east of Nieupoort. A number of Germans were killed and several were taken prisoner. The entire raiding party returned."

French.

Paris, Nov. 13.—The War Office communication to-night reads: "The enemy artillery vigorously counter-shelled by us, bombarded our front lines in the Champagne in the region of the Monts and at several points of our front in the Argonne."

A SECOND SON DIES IN ACTION

Robert Baker, of Napanee, Has Lost Two Boys in the War.

LIEUT. HENRY A. BAKER

WAS MORTALLY WOUNDED IN FRANCE LAST WEEK.

Four-Year-old Son of P. Gleeson, Napanee, Dies of Burns—Mr. and Mrs. Arthur Young Have a Narrow Escape From Death.

Napanee, Nov. 13.—Robert Baker received the sad news that his son, Lieut. Henry A. Baker, was killed in action last week. Lieut. Baker went overseas last fall with the 1st Canadian Battalion, and had been in active service since that time.

Death claimed the four-year-old son of P. Gleeson, who was so severely burned on Monday morning last. The little fellow was a great sufferer for the few hours he lived.

The French Cabinet has resigned after the defeat of the Chamber of Deputies by 277 to 176.

A FABLE ON VICTORY BONDS

There was once a Person who talked boastfully about his Swell Home and his Upholstered Car. He would drive Fifty Miles to be present at a Picnic where there were Free Eats. He always Finished First in races where there were Rich Prizes and No Entrance Fee.

When a Neighbor Took Sick, our Hero was always sure to have a Sudden Engagement calling him rapidly to Another Quarter of the Town, where he would not have to bother Calling the Doctor.

Moral—You can't Judge the Size of a Man or a Motor Car by the Noise they make. When Canada, in a week or two, floats a Victory Loan for \$150,000,000, the man who Loosens His Pocketbook will not necessarily be a Patriot, but the man who merely Loosens his Tongue will in most cases be a Fraud.

SISTER BASIL TELLS OF ATTEMPTED ABDUCTION

Rev. Father Mea Said He Would Appeal to the People at Railway Station — Sister Returned to Orphanage.

Yesterday's proceedings will be found on pages 11 and 13. Sister Basil continued her evidence in the Supreme Court, in her action for damages, when court resumed on Tuesday morning. Mr. Tilley had the witness in hand, and asked witness some further particulars of the attempt at abduction.

Witness also told of an occasion when she asked to see Dr. Morrison, but did not see him. Witness then gave in detail a lot of the conversation which took place on arrival at the House of Providence. Sister Magdelene ordered her back to the Mother House.

Witness told of going to Smith's Falls, in January, 1914, on the advice of the Archbishop. Previous to this she came to the conclusion that she was held in disfavor of the Mother Superior.

Witness also spoke to the Archbishop telling him that she had been ignored. This was on her return from Dayston, Alberta, where she spent some time. She informed the Archbishop with a view to her being sent to another place.

Witness consented to go to Smith's Falls, and went there on Jan. 15th, 1915. Mr. McCarthy produced a letter, bearing no date, written by the witness to the Archbishop, in which she stated that she did not treat his first letter to the Archbishop as an application for dispensation.

Witness told of an assault made on her by Sister Justina at Belleville. She left the place on the 14th of May. She felt that she was broken down and could not continue under the strain.

Witness said that she sought Father Mea as her counsel. She said that Sister Gabriel held up letters sent to her by Father Mea. Sister Gabriel also forbade her associating with the other Sisters, and also refused her attendance at any of the exercises.
