CALLED A NEW PASTOR

REV. H. H. BINGHAM, OF LONDON INVITED TO FIRST BAPTIST

Unanimous Call Extended to London Pastor at Meeting of Congregation Held Wednesday Evening—Not Known As Yet Whether He Will Accept.

Rev. H. H. Bingham, of London, Ont., one of the foremost preachers of the day, has been called to the pastorate of the First Baptist Church in this city. To succeed Rev. Douglas Laing, who recently retired after long and faithful service. It is not yet known whether Mr. Bingham will accept.

The call, which was a unanimous one, was extended to Rev. Mr. Bingham, at a meeting held on Wednesday evening, when the pulp committee called a meeting of the congregation.

Rev. Mr. Bingham has been pastor of one of the leading churches in London for the past eight years. He is a forceful preacher and member of the First Baptist Church who have heard him are greatly impressed with him.

MILLIONS FOR SOLDIER; NOTHING FOR SAILOR

The Golden Showers Have Practically All Fallen on the Army.

"Everything is done for the soldiers," said a young Canadian Naval recruit, not without a tinge of bitterness in his voice. "Smokes for soldiers, comforts for soldiers. Did you ever hear of smokes for Sailors?"

There has been a marked absence in Canada of movements for the betterment of the men of the Navy and Mercantile Navy League, but with the Navy League this is being remedied. His Excellency the Duke of Devonshire, who is Vice-president of the Navy League of Great Britain, is taking a very active part in furthering the interests of the League, and recently a large number of new branches were formed.

The men of the Navy and Mercantile Marine are the poorest paid class in the Empire, and are facing the terrible perils of the deep for a mere pittance, leaving their families in many cases destitute. Meanwhile, while the public are generously and patriotically giving millions for the relief of the Army, the men of the Navy are almost forgotten.

A year ago the Navy League gathered a considerable sum in the Dominion for relief work, but this largely went to the British Sailors' Relief Fund. This year any money that may be raised will be administered by the League, a proportion going to the benefit of the Canadian sailors and their dependents.

A sailors' Day will be held all over Canada on December 8th, for this purpose, and it is hoped to raise a substantial sum to be devoted to the pressing and imperative needs of a class of men and their families who are in sore straits because of their devotion to the Empire's cause.

WAR BULLETINS. The Teutons have resumed smashing attacks on the Italian lines, but all hold strongly so far. Arthur Pollen, British Naval critic, warns that the war situation now is more serious than since it commenced. Seventeen British freighters and four fishing vessels were sunk by German submarines last week. With strong new reserves the Germans are attacking British positions around Cambrai.

THE ST. PAUL'S A.Y.P.A.

Realized \$65 at Tea and Sale Wednesday Afternoon.

The A.Y.P.A. of St. Paul's church held their annual tea and sale Wednesday from three to six o'clock. The sum of \$65 was realized. Miss Annie Dunry, president, received at the door. The various tables were in charge of the following:

Work Table—Mrs. Egglestone and Misses Lily and Belle Dunne. Home-made table—Miss Arthurs and Miss Asseltine. Candy table—Miss Ethel McCullagh and Miss Reta Butlin. Tea Table—Mrs. W. F. Fitzgerald and Mrs. Jekells, assisted by Mrs. Noble Thompson, Miss Vera Saunders and Miss Grace Langford. Miss Vera Turkington took the money at the door. Mr. Johnson, manager of the J. M. Greene Music Company, kindly loaned a new Edison phonograph with some splendid records.

Left For Overseas. On the eve of his departure for overseas again, after a four months' furlough in Kingston, quite a number of friends gathered to say goodbye to Pte. J. J. Roberts at Mr. McKegney's, Rideau street. Music and dancing were indulged in till about midnight, when dainty refreshments were served. All wished "Jack," who has been a year and a half on active service, a bon voyage.

Hear J. M. Godfrey at City Hall to-night. G. G. Publou, Chief Dairy Inspector for Eastern Ontario, is on a tour, speaking at gatherings in various parts of Eastern Ontario. He will be on the go up to Dec. 14th. If interested in Union Government attend meeting at City Hall to-night.

A meeting of the Daughters of the Empire was held on Wednesday afternoon, when arrangements were made for the sending of parcels to soldiers overseas. All women should hear Miss Boulton at City Hall to-night.

The Alwington avenue cement walk is at a standstill on account of some misunderstanding between the Council and the contractors.
