**FREE TO MEN**  
 Would You Like to be a Strong, Husky Manly Fellow Once More?  
**New Method Without Drugs**

The attached coupon entitles you to one illustrated copy of my pocket compendium and guide for the self-restoration of lost strength. (See description below.) Upon hearing from you, this valuable little book of private information for men will be sent by return mail in plain, sealed envelope. Please call or write to-day.

There is a new and marvellous method for restoring lost manly strength, for renewing vigor, which every man should know of, a self-restorer which operates without the use of drugs or medicines, a new way to treat yourself for your life and weakness. See description below.

Please remember that a man is not one day older than he feels, and therefore no matter what your age, if you are young or elderly, married or single, large or small, if I can show you, yourself, my actual-ly add to your system, nerves and blood the very nerve force you have drained away, and which is necessary to make you strong, vigorous and capable again, then I have shown you the real secret of perpetual strength, and how you can again be filled with vigor, and again be just as powerful in your influence and just as thoroughly manly in your capacity as the biggest, fullest blooded, most successful fellow of your acquaintance.

The new self-treatment for the restoration of manly strength, to which I refer above, is a little light-weight VITALIZING appliance of my invention, which is now meeting with a tremendous demand, and being used by men everywhere all over the world. This little VITALIZER, weighing only several ounces, is comfortably buckled on the body and worn all night. It is so small and so compact that VITALIZER is small in size, it is not small in power, for it generates a great force of VIGOR or NERVE ENERGY, and it sends this marvellous FORCE into your blood, organs and nerves while you sleep. All you have to do is to lead a decent, nothing more. If this is followed out and the VITALIZER does for you what these others say it does for them, then all the pain or weakness will disappear from the strong of your back—possibly from the first night's use—and you will be restored to a strong, vigorous, manly, capable man, without a single ache, pain or weakness. Please remember, I am not asking you to buy one of the VITALIZERS, but merely request you to first send for the free book described below, a section of which is devoted to an explanation of this VITALIZER, and give you its whole wonderful story, so that you may know what intelligent young and elderly men everywhere are saying about it.
