Production

Increased effort and efficiency in labor, more economy and less waste in living, building up capital by harder work and greater savings, will enrich you and your country. The men and women at home must produce more to cover war's waste.

WHIG IS CONGRATULATED

FROM THE PULPIT ON ITS STAND FOR FREEDOM.

Rev. Mr. Raynor Refers to the Case of Sister Basil—Two Other Cases That Are Very Similar.

Two strong appeals were made by Rev. T. de Courcey Raynor during the course of his sermon at the First Congregational church on Sunday evening. He came out very strongly in favor of Union Government, stating that the duty of the electors was quite clear. In this election he pointed out it was not a case of voting for the man, but for principle and religion.

The main portion of Mr. Rayner's sermon was given over to the subject, "The Papist Menace."

The speaker pointed out that it was not his intention to say one word against the laity of the Roman Catholic church. His message had to deal with the hierarchy. He referred to the recent case heard in Kingston, and the references Archbishop Sprat made regarding the local press, and took occasion to congratulate the Whig on the stand it had taken. The speaker also stated that Kingston had reason to be proud of her daily newspapers. They had refused to be muzzled or bought. He referred to headings in the Canadian Freeman on the case referring to "miscarriage of justice."

The preacher also spoke of this case not being an isolated one. During the summer he had received a book and a letter from a nun who had undergone somewhat similar treatment to that of the nun who figured in the local case. The person he had reference to was Miss Anna Olivier, of Trinidad, British West Indies, known in religion as Sister Helen of the Cross. The speaker also got a letter from this nun, telling him something of the struggle she had since leaving the convent. Reference was also made to another case in London, Eng., that if Miss Edith Gorman.

Mr. Rayner said that he felt that if the laity of the Roman Catholic church really knew the conditions which prevailed they would demand a searching investigation.

BLIZLARD STRUCK CITY

STREET CARS ARE TIED UP UNTIL TUESDAY EVENING.

The Country Roads Impassable—Two Feet of Snow—Steamers Are Tied Up.

On Saturday afternoon the blizzard which swept over Halifax on Friday struck Kingston and struck it good. The cold was intense and the snow and wind started a good old-fashioned winter. The storm kept on steadily until Sunday at midnight, but the wind did not quiet until Monday morning. Fully two feet of snow fell and if pilled in drifts several feet high in places. The country roads were made impassable on Sunday and few attempted to use the city streets. The walks were piled high and pedestrians had a difficult time going to church.

The steamer Mississquoi took the "foot of the island" route from Capt. Vincent to the city, but was ice bound at Brophy's Point. Officials of the line are arranging to send a tug to break the ice and allow her to reach the city. The steamer Wolfe Islander went to Simcoe Island on Saturday and had to remain there.

The morning C.P.R. train was delayed by the snow ploughs, but not through the snow. The G.T.R. lines were kept open, after a hard struggle. The C.N.R. also had a difficult time but were able to keep up their schedule.

The telegraph lines were fortunately not interfered with to any great extent by the storm.

The city street car service is off until Tuesday evening. There is some hope of having the belt opened by this (Monday) evening as the men are out doing their utmost to open up the line.
