BARCALO Security CRIB

Barcalo Cribs have sliding sides, which you can slide up and down at will. When the sides are left raised to full height, they are too high for baby to get over in any way. And the rods are close enough together to prevent baby getting wedged between them. In a Barcalo Crib, baby can't hurt himself in any way. It is absolute protection against those occasional falls and strains which cripple for life. They are the best cribs for baby and you. Made of Malleable Iron. In an assortment of pleasing styles.
