ON THE YUKON.

Facts About One of North America's Greatest Rivers.

The Yukon is about 200 miles longer than the Mississippi, but it is 2,000 miles shorter than the Missouri-Mississippi, measured from the Rocky Mountains in Montana.

The Yukon sprang suddenly into fame with the discovery of gold on Klondike Creek, one of its tributaries, and the town of Dawson, at the confluence of the "creek" and the Yukon River.

Roger Foster, who has recently made a journey up the Yukon, says that the primeval forests on the river banks have, in most places, no inhabitants save moose, caribou, bear, lynx, and other wild animals.

ELECTIONS AND CHRISTMAS SPIRIT.

The elections have projected themselves right into the Christmas festivities. But with the union of the best men and women of both parties the disturbance is far less than was to have been expected.

Had Bronchitis FOR THREE YEARS.

Mr. Theodore P. Beers, Upper Main River, N.B., writes: "I was troubled with bronchitis for three years and could get no relief. I was always worse when I got wet. I tried lots of different medicines, but none did me good until a friend told me to try Dr. Wood's Norway Pine Syrup."

desires about the festive season so that they may prosecute their work in maintaining the national honor of Canada. This is the first time that Canadian women have ever had the federal franchise and they mean to use it well.

But a pleasing fact this Christmas is that the women are not only campaigning but they are knitting. And they have been doing the latter in season and out of season.

that flock the graves in Flanders field. And so as Canadian women fight in freedom's cause they catch a glimpse of the Redeemer of the world, wounded and bleeding as He was upon the cross, and with His power and sufficiency they tranquilly trust and wait abiding in His presence and resting under the shadow of His wings.
