Letters to the Editor

Is Proud of the Whig.

Bracebridge, Dec. 20.—(To the Editor): Just a line or so to let you know that I very much appreciate the stand you have taken in regard to the Union Government. I have been a Liberal at my life, although there have been a few exceptions when I have voted Conservative because I could not support the man the Liberals brought out; but at this time it seemed to me that the issue was not political at all, but national. Therefore, I could do nothing else but support the Union candidate, and I am pleased to say that we elected our man with a good majority. In conclusion I would say that I am proud of the British Whig and the stand you take.
