

After part of one of the twin-screw ships under construction at Ivory-on-the-Seine, near Paris. The need for coastwise and river vessels has caused the French to use concrete in shipbuilding as yielding the quickest results.

Boat built of concrete under the direction of the United States Shipping Board is launched at Savannah, G. The craft is sent bottom side up into the water, where it almost immediately rights itself, owing to the low centre of gravity, and the water is then pumped out.

### SENT FREE TO MEN! ALL ABOUT STRENGTH AND VIGOR

MR. READER: Here is something we have to offer you absolutely for nothing—a little private book of special information about the legitimate uses and unusual abuses of manly strength; about the preservation and its possible self-restoration, an illustrated pocket compendium of 8,000 words, 72 pages and 20 half-tone photographs, reproductions—which I am very pleased to send by mail, absolutely free of charge, in a plain sealed envelope, to any man, young or elderly, single or married, who writes for it.

MANHOOD WINS IN ALL WALKS OF LIFE.

Over a million of these books have been thus sent to applicants all over the world since my free offer first appeared. Publishers are charging as much as \$2 for books on sex subjects, while my book is free. Therefore, reader, if you would like a great fund of useful information relating directly to the subject of manly strength, all put in perfectly plain, easy-to-read language, with many hints that you can surely apply to your own self, do not hesitate how strong you may be, or how nervous or rundown you may be—if you want to know the facts about this particular subject, given to you without a single cent, then fill in the coupon below, send to me, and receive my book sealed, by return mail. In one part of this little publication I describe a mechanical invention of my own, which I call the SANDEN Vitalizer, something you wear at night as an aid to the restoration of waning strength. You are not expected to get one of these appliances unless you decide for yourself that you want one. The book is complete, and there is absolutely nothing you are required to buy or pay. Therefore, please send your name and address to-day.

MANHOOD! The quality which rules the world to-day. My friend, there never was a time in the history of the human race when real, sturdy manhood, manly vigor and manly courage counted for as much as they do now, this very minute. No matter what your age, whether you are 20 or 60, you must be either entirely in the race or entirely out of it. It is invariably the fellow who proves up strongest in the front while weaklings stand aside; it is he who is in most demand, and most sought after by all classes of his community, simply because he radiates that marvelous magnetic influence which only an abundant vigor and rugged manly health can radiate. I believe any man can hope to completely develop or mature this same vigorous strength, no matter what his past may have been, provided he is willing to REALLY MAKE THE EFFORT, and provided, of course, he is not weighed down by extreme old age or is incurably diseased. To my mind, the road of the one who wants more vitality is perfectly plain, but it is a road that any man MUST travel if he attains the highest ideals in this respect. See information in my free book.

As to the SANDEN Vitalizer, previously mentioned, will say it is a little mechanical appliance, weighing but a few ounces, which you wear at night. This Vitalizer generates and sends forth a certain soft, penetrating force which I call Vitality. It drives this Vitality into your nerves, blood, muscles, and organs as you sleep. It is quieting to the nervous system—or, at least, so users say. Men write that it takes pain out of the back after at once, and restores vital strength in 90 days. Remember, the general information of the free book is independent of this Vitalizer, and you are not expected to get one of these little appliances unless you want to. You can write me later as to that, if you so desire. With special attachments, my Vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc. If you live in or near this city I should be most pleased to have you call in person at my office, where you may see and test the Vitalizer free of charge. Hours—9 to 6. Or if convenient to call, do not fail to write for the free booklet. Satisfaction guaranteed in every case.

TO GET FREE BOOK PLEASE USE COUPON. If you cannot call, please fill in the coupon below and send it. You will receive free, sealed by return mail, our 72-page illustrated book, containing 8,000 words, a complete compendium of useful information for men, young or elderly, single or married, who want the truth about the subject of vital strength, its preservation, its possible self-restoration, and its legitimate uses and waning abuse. You get it all free.
