Ye Olde Firme.

The Royal Piano

It makes no difference whether it is a high social function, an educational affair, or a great artistic event, in this country the piano made by Ye Olde Firme is used in nine cases out of ten. We refer to the

Heintzman & Co. Art Piano

as the Royal Piano, because it was specially selected for the use of Queen Mary when in this country as Princess of Wales. This great Canadian instrument has stood the test for 65 years. In tone, in action, in durability, it is recognised as supreme among pianos, and deservedly bears the title: "World's Best Piano."
