completely develop or mature this same vigorous strength, no matter what his past may have been, provided he is willing to REALLY MAKE THE EFFORT, and down by extreme old age or is not incurably diseased. To my mind, the road of the one who wants manly strength is perfectly plain, but it is a road that any man MUST travel if he attains the highest ideals in this respect. See information in my free book.

As to the SANDEN Vitalizer, previously mentioned, will say it is a little device, which you wear at night. This Vitalizer generates and sends forth a certain soft, penetrating force which I call Vitality. It drives this Vitality into your nerves, blood, muscles, and organs as you sleep. It is quieting to the nervous system—or, at least, so users say. Men write that it takes pain out of the back often at once, and restores vitality strength in 90 days. Remember, the general information of the free book is independent of this Vitalizer, and you are not expected to get one of these little appliances unless you want to. You can write me later as to that, if you so desire.
