A Smart Blouse with Gathered Peplum.

A gathered peplum is featured on this handsome blouse of taffeta and chiffon cloth. It is an ideal model for the woman who is making over last season's clothes.

in attractive way to make a sepate blouse is pictured here, and the most interesting thing about the model is the suggestion it offers for using make-overs. A bit of satin or taffeta that has seen former service, may be used to splendid advantage with some creps de chine er Georgette. Perhaps the two materials may be a combination of garments of other seasons. The waist has a gathered peplum which is attached to a sleeveless outer waist with deep armholes and large collar. The collar is cut in two sections, extending to the waist in back and forming broad revers in front, There waist closes in surplice style, Medium size requires 3% yards 36-inch material for underwaist, vest. col-

lar, belt and trimming pieces.

To make the underwaist, close under-arm and sleeve seam as notched. Close back seam of waist. Gather between "T" perforations and 2 inches above." Line of small "o'' perforations indicates center-front. Arrange on underbody, center-fronts center-backs, under-arm seams and corresponding edges even. Bring the small "o" perforation nearer the under-arm seam in front, to the back edge of vest and stitch gathers to position; leave under waist free forward of the small "o" perforation. draw gathers to the desired size
