HEARING A CHARGE

Made Against Sergeant-Major Regarding Military Money.

A sensational case of Q.M.-Sergt. Billings of the Ordnance Corps, charging Serjt.-Major Francis, W.O., with wrongfully obtaining money from the Militia Department, was opened on Friday at a court of inquiry at Tete de Pont Barracks.

A court of inquiry, with Lieut. W. F. Nickle, M.P., acting on behalf of Q.M.-Sergt. Billings, who makes the charge.

The case originated some time ago when Serjt.-Major Francis had Acc-mourer Billings "on the carpet" before Capt. A. McCully, senior officer, for insubordination.

Billings was reprimanded. He immediately then charged Francis with this present serious action.

Capt. McCully investigated and found, in his opinion, no justification of a reflection on the integrity of the serjt.-major. Billings then took the case to W. F. Nickle, M.P., who asked for an official investigation.

A court of inquiry, with Lieut. Col. Benoit as president, and Major Wilkie and Capt. Forte as members, all of whom are experts on military law, convened at Tete de Pont Barracks on Friday morning to hear the case.

SAGE AND SULPHUR DARKENS GRAY HAIR

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.
