

# Raw Furs Advancing!

Every mail brings advices of an advancing raw fur market. If you need furs now is the time to order. We are still accepting orders at 1917 prices. From present indications and prices being offered, Muskrat, from which Hudson Seal is made, Fox, Beaver, Wolf, Fisher, Mink, etc., will advance from 50% to 100% on 1917 prices.

The scarcity of raw furs is due mostly on account of the heavy general snow fall blocking the trap lines and causing the animals to den earlier than usual, small importations of foreign furs and the large number of trappers being drafted.
