

Face Nothing But Running Sores FROM ECZEMA

No rest day or night for those afflicted with that terrible skin disease, eczema, or, as it is often called, salt rheum.

With its unbearable burning, itching, torturing day and night, relief is daily welcomed.

There is no remedy like Burdock Blood Bitters for giving relief to such sufferers; no other remedy has done, or can do so much for those who are almost driven to distraction with the terrible torture.

Take it internally and it gets at the source of the disease in the blood, and completely and permanently drives it out of the system.

Miss Mary V. Chambers, Anagnone Ridge, N.B., writes: "I used Burdock Blood Bitters for eczema. I had it when an infant, but it left me. Two years ago it came back. I used doctors' medicine, but it did good only while I used it. At last my face was nothing but a running sore. I saw in the paper what B.B.B. did for people. I took it, and today I am free from that terrible disease."
