**CASE WAS DISMISSED.**  
Did Not Connect Milk Dealer With Samples Tested.  
The only case before Magistrate Farrell in the Police Court on Monday morning, was that of the adjourned case of a milk dealer, who was charged with selling milk that did not come up to the standard called for by the by-law, as regards butter fat and solids. The charge was laid by Dr. G. W. Bell, city milk inspector. Evidence was taken as regards the testing of a sample of milk at the Dairy School, claimed to have been taken from one of the cans supplied by the accused, but after all the evidence had been secured, A. B. Cunningham, who appeared for the accused, declared that there had been no evidence to show that the milk tested had been delivered by the man charged. The magistrate held the same view, and on this account the case was dismissed. J. L. Whiting conducted the prosecution.

**THE HOLINESS CONVENTION**  
THIS ANNUAL EVENT OPENED HERE ON MONDAY.  
Rev. J. G. Nussey Officiated at the Service on Sunday Morning—Rev. J. Carson Spoke in the Evening.  
The annual convention of the Holiness movement started Sunday in the city with representatives present from Picton, Inverary, Roblin, Sydenham, Yarker and other places in this district. It is continuing throughout the week with special speakers from different points coming here to give addresses.  
The service on Sunday morning was conducted by the local pastor, Rev. J. G. Nussey. He took as his text, Acts 1, 14: "These all continue with one accord in prayer and supplication." The speaker stressed that they had tarried with one accord in prayer waiting for the promise of the Father to be fulfilled. After waiting for ten days the promises were fulfilled and the Holy Ghost fell on all those present. This was the ushering in of the Pentecost dispensation. The days of waiting were now passed. Previous to the day of Pentecost the Holy Ghost had not taken up this dispensation.  
The service was a very inspiring one for the members and the convention promises to be well attended. Rev. John Carson, of Inverary, officiated at the evening service.  
**To Repair Crystal Palace.**  
A meeting of the directors of the Kingston Industrial Fair Association was held on Saturday to discuss the question of repairs to the fair grounds buildings. The main building is the one most in need of protection and suggestions for keeping it safe temporarily until extensive repairs can be made were agreed upon. The executive finally decided to offer the city \$500 if the city would expend a similar amount. The supervision of the work would under this agreement come under both the association and the city.
