**In Brief Form the Events In The Country About Kingston Are Told—Full of Interest to Many.**

Rev. Dr. Shorey has been invited for the fourth year by Port Hope, Methodists.

The death occurred a few days ago at Merrickville of Mrs. Frances Gillan, aged eighty-five years and invalid for considerable length of time. There survive two children, Mrs. Jones, of Merrickville, and Charles H., of Vancouver.

At a meeting of the Cornwall fire brigade last Wednesday, John G. Hunter, who has been chief for thirty-four years, asked to be relieved. The brigade declined to accept his resignation. Mr. Hunter has been a member of the brigade for fifty years.

Owing to the resignation of W. Cudlip, manager of the Cornwall and York Cotton Mills at St. John, N. B., W. V. Boyd, manager of the three mills of the Canadian Cottons Limited, at Cornwall, has been appointed to succeed Mr. Cudlip as manager of the two mills.

Mrs. Josephine Bedard, for some time past a supervisor at the Eastern Hospital in Brockville, spent yesterday in town guest of her brother, William S. Bedard, North street.

Miss Lottie Root, Charles street left yesterday for Ottawa to spend a short vacation with relatives.

Thomas O'Mara, who died suddenly in Smith's Falls on Thursday last was for years engaged as engineer on Government dredges and other vessels with their centre at Kingston. He was born at Lombardy in 1857 and after his marriage, twenty-six years ago, settled in Smith's Falls, where he had since been engineer at the pumping station.

**GANANOQUE**

(From Our Own Correspondent)

March 6.—Under the auspices of the Ladies' Auxiliary of the local branch of the Great War Veterans' Association a progressive euchre was held in the latter's club room last evening.

Mr. and Mrs. C. H. Hurd, King street, received the sad news yesterday of the death of the latter's sister, Mrs. Elizabeth Saul, which occurred at the home of her son, Roy Saul in Hamilton on Feb. 28th. She was taken ill with pneumonia on Monday evening and passed away on Thursday evening. The funeral was on Saturday.

William Clark, a young farmer of the Front of Leeds and Lansdowne township near Willowbank, is showing with pride twin colts, foaled during the past week and both lively and doing well.

Yesterday afternoon the ice below the lower dam on the Gananoque river started to break loose and by evening there was an open channel nearly half way between the dam and the mouth of the river. Continuance of present conditions will open a channel to the St. Lawrence by tomorrow evening.

**RETURNED SOLDIER TELLS EXPERIENCE**

**Trouble of Five Years Standing Ended—Gains 12 Pounds.**

"If my testimonial will be the cause of others taking Tanlac you are welcome to it, for I certainly feel sorry for anyone suffering like I did and am glad to do what I can to help them," said James Benson, who resides at 683 Runnymede Road, Toronto, in a conversation with a Tanlac representative, recently. Mr. Benson is a returned soldier, having gone overseas with the York Rangers. He is now employed by the Harris Abattoir Company.

"Tanlac has relieved me entirely," continued Mr. Benson, "of a case of stomach trouble that had been bothering me off and on for five years and that is why I so willingly recommend it. My appetite seemed to be fairly good—that is I could eat—but nothing agreed with me. My food would just stay in my stomach undigested and the gas formed by it would bloat me all up causing severe pain, not only in my stomach and sides, but around my heart. I was so nervous I couldn't rest well and often had dizzy spells. I was badly constipated and all day at my work I had that dull, tired feeling. I had lost several pounds in weight and was getting worse all the time.

"My wife had been reading the Tanlac testimonials and she finally succeeded in getting me to try a bottle. Well, I didn't stop at one bottle. It helped me so much that I bought another, then another and when my third bottle was gone my stomach trouble was gone too. I'm never bothered now with any kind of pain or discomfort and I eat just what I want. My food digests perfectly and the best proof of this is the fact that I have gained twelve pounds, which is several pounds more than I had lost. In fact, I'm simply feeling fine and can certainly praise Tanlac for the way it has relieved my troubles and built me up."

Tanlac is sold in Kingston by A. P. Chown, in Pleyna by Gilbert Oster, in Battersea by C. S. Clark, in Fernleigh by Ervin Martin, in Ardooch by M. J. Scullion.
