LOUGHBORO RED CROSS WORK.

Much Being Done at Sydenham—A Concert to Be Given.

Sydenham, March 11.—Every Thursday afternoon from two o'clock until five o'clock the ladies of Sydenham are to be found in the township hall as busy as bees with Red Cross work.

On Feb. 14th there were shipped from this branch two boxes containing 12 quilts and 42 suits of pyjamas, and on March 7th, five cases containing 34 suits of pyjamas, 36 day shirts, 12 pairs convalescent slippers, 14 night shirts, 2 sheets, 102 pillow slips.

There are affiliated with the Loughboro branch several smaller branches, namely, Kepler, Oates, Forest, Wilbur and Perth Road, which include Leland and Opinicon.

During January and February there were received from Kepler 25 suits of pyjamas, 8 day shirts, 24 pairs socks; from Oates, 16 suits pyjamas, 3 quilts, 3 day shirts, 2 dressing gowns, 19 stretcher caps; from Wilbur, 31 suits of pyjamas, 3 day shirts, 2 dressing gowns; from Perth Road, Opinicon and Leland, 21 suits pyjamas, 2 day shirts.

The committee in charge of the stretcher caps would be grateful for pieces of cloth cut from unused clothing. Any person having any pieces of cloth such as serge or tweed might bring them to the town hall any Thursday afternoon.

The Red Cross executive proposes giving an oyster supper and concert on March 20th, in Wesley hall. The price of the tickets will be fifty cents. The proceeds will all be devoted to Red Cross work, so that by purchasing a ticket you will not only entertain yourself to a splendid supper and concert, but to the privilege of buying material to be made up into garments for our Canadian soldiers wounded on the battlefields of Europe in the fight for the freedom of the world. Those wishing to contribute to the work of the Red Cross are also urged to become life members by paying a fee of \$25, active members by a fee of \$2, or associates by a fee of \$1.

There are on sale at Mr. Gordon's several overseas boxes, all the proceeds from the sale of which go to Red Cross work.

All are welcome at the town hall on Thursday afternoons. If you have not the time to stay to work, just come in and show your interest. The ladies give their time and energy free in making up material and in trying to get the money with which to purchase the goods. It is necessary that every person do something to help if the work is to go on successfully and keep going till the war is over.

Slight Stroke of Paralysis

Down Left Side—Stomach and Heart Affected—Case baffled Doctors For Three Years.

Trenton, Ont., Mar. 9.—A very interesting report has been received from Mrs. Pringle in regard to her recovery from partial paralysis. This was a most extreme case, for doctors had been trying for three years to find something which would restore the depleted nerve force.

One can scarcely imagine stronger evidence of the restorative influence of Dr. Chase's Nerve Food.

Mrs. C. Pringle, Queen street, Trenton, Ont., writes:

"About five years ago I was troubled with my stomach, there was a sort of paralyzed feeling across it and up my left side, and my heart seemed almost to stop beating. I called in the Doctor, and he thought it was symptoms of a stroke. My stomach kept getting worse. At times the pounding would be intense, almost unbearable, and I thought, 'I would go wild. Sleep was out of the question. I tried different doctors, giving each one a fair trial, and doctoring nearly three years. My case seemed to baffle them. It was a nervous breakdown caused by overwork and worry. During all this time I could not do any work, and my friends thought it was a matter of time how long I would live. Some one advised me to try something to build up the system, and I tried different medicines. Finally I thought, 'I would try Dr. Chase's Nerve Food, and see if they would do me any good.' A famous doctor sanctioned my using these pills, and told me they would be good for me. They seemed to be just what I required, as I soon saw an improvement. I took about fifteen boxes, and the results have been very gratifying. I am now enjoying splendid health, and able to do all my work, eating anything I wish, and not needing any rest. I have not a good night's rest. I have recommended Dr. Chase's Nerve Food to many of my friends, who have also secured good results from this treatment."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75; at all dealers, or Edmonson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

A Horse Drowned.

Tweed, March 8.—When crossing the lake on Tuesday Chas. Barnett drove too near the channel with the result that the horse broke through. Mr. Barnett shouted for help and in a very few minutes many willing workers were on hand. A rope was tied about the animal's neck and it was assisted to the ice, when the rope broke and the ice gave away again and it went under with the current. Several of the men assisting also had narrow escapes as they were precipitated into the water when the ice broke, but they escaped with a soaking.

Quality of Sedition.

Belleville, March 11.—Charles Hakwes, aged 47 years, whose home is in Chandos township, adjoining Hastings County, was on trial here at the High Court, presided over by Justice Ross, on a charge of uttering seditious statements. The jury after being out two hours returned a verdict of guilty with a recommendation of leniency. Sentence was deferred.
