REGULATIONS ARE ISSUED

WITH REGARD TO COLLEGIATE PUPILS AND FARM WORK.

Principal Sliiter States The Conditions Under Which Pupils Will Be Allowed to Leave School Early.

Principal Sliiter has issued the following concerning the allowing of pupils to leave the Collegiate Institute early, with promotion, for farm service:

1. We are fully aware of the need of extra farm labor, and are resolved to do all in our power to meet that need.

2. It must be remembered that any parent is at liberty at any time to remove his child from school, without seeking any permission.

3. The question then is simply one of early promotion; how much can a given pupil miss and still be fit for promotion?

This is manifestly a question for the teaching staff to answer; they alone know the students' standing and ability, as shown by his previous record.

Each parent will be required to sign a request that his boy be allowed to leave early with promotion. He will be required to guarantee:

(1) That the boy shall do at least two months' farm work before September 1.

(2) That the boy shall pay particular attention to his school work next year to make up for lost time.

Each pupil must present at the end of vacation, evidence that he has done at least two months' farm-service.

Under this scheme it is my purpose to allow the withdrawal, with promotion, between April 29th and May 20th, of such pupils as, in the judgment of the staff, can afford to leave early.

It must be remembered that as the work of the school will go on there will inevitably be loss, and not every boy who would be useful on a farm can afford that loss, in which case the alternative is that the student be withdrawn, and repeat his year at school.

The above does not apply to those who are seeking departmental or matriculation certificates; they are dealt with under conditions prescribed by the Education Department.

Military News

Lieut. G. A. McCarter, who left Kingston with a draft from the R.C. H.A., is reported as having been wounded. He is a graduate of the Royal Military College, and commanded "C" Battery for a time before taking a draft overseas.

Lieut.-Col. J. E. deFertel, who commanded and trained the 13th Battalion at Barfield, and went overseas with it, was in the city on Monday and will probably take over a position with the administration of the Military Service Act here.

Just as soon as the necessary forms can be made out, Major H. P. Cooke, district registrar, will have his staff send out the notices to report for service to all men in Category B, who filled out the report for service forms when the proclamation was issued last year. Men who, at that time, asked for exemption and received it because of their categorization, will go before the tribunal of the county judge and have their cases reviewed. They may then present evidence to show that medical categorization is not the only grounds for their exemption from military service.

There are 2,424 men in Category B in this military district. This number will receive either of the two notices immediately.

It is understood that these men will not be used as combatant soldiers. They will be drafted into railway construction or forestry work behind the lines, but in the present big battle the despatches show these units were under fire.

The Leave of Absence Board is making a careful examination time, every application for leave presented to them. In the last five sittings—the board meets every afternoon—there has been only one man granted leave of absence. About fifteen cases are heard at each sitting, so that this makes the total of about one in seventy-five receiving the coveted leave.

That all class B men will go to Hamilton to train for overseas for railway construction or forestry work behind the lines is the decision made by headquarters and now announced. There has been a forestry and railway construction depot at Brockville for almost a year, but this is to be broken up and the men of the district sent to the Ministry of Militia's home town. There are about 200 men at Brockville available for overseas, and they will likely be going in a short time. The remainder will be transferred to the special service company here for permanent base duty.

Gunner Nick Lavrie, 72nd Battery, has proved that he is an Australian and thus being an alien enemy cannot be made to serve under the Military Service Act. He has been residing at 116 Patrick street and working as a tanner in the city. The military authorities "reposed" him in, but an investigation by A. B. Cunningham satisfied the authorities that he was of alien birth and thus was released.

Major T. Ashmore Kidd, D.S.A., and G.M.G., returned on Monday from Burrill's Rapids, having spent Easter with his family. His brother, Major W. E. Kidd, M.C., who went overseas from Kingston as chaplain of the 21st Battalion, has been granted thirty days' leave after three years' service in France. Major W. E. Kidd is now chaplain of the 4th Brigade.

Major E. W. Hubbell, O.C. 8th Brigade, C.F.A., Ottawa, was at headquarters on Monday.

It is expected that the new district

depot will be ready for its work by the middle of the month. Lieut.-Col. F. E. Birdsall is arranging for its establishment.

Nursing Sister E. Stewart has been taken on the strength of the C.E.F. Army Medical Corps.

In future men in category "C" and "D" will be retained in the service.

Nursing Sister J. F. McLean has been transferred from the Mowat Hospital to the Fleming Home at Ottawa, and Nursing Sister M. O. Hamilton has been transferred from the Mowat to Queen's Military Hospital.

\$3,145.37 NOW SUBSCRIBED

To the Y.M.C.A. Fund For the Association's Work.

A rally of the workers in connection with the Y.M.C.A. campaign was held last evening around a supper table prepared by the Mother's Council of the institution.

While the total is still far short of the required \$6,000, in checking over the lists, the canvassers find that there are still a goodly number of regular subscribers to the Association who have not yet appeared on this year's list, not having yet been called upon owing to the scarcity of workers and the difficulty in covering the ground quickly. A determined effort will be made this week to bring the total up to the necessary mark, and thus assure a continuance of this most important part of the city's activities.

The total at noon to-day stood at \$3,145.37, as follows:

- \$2,059.62—Previously acknowledged: \$200—Dr. James Douglas, \$150—D. G. Laidlaw, \$100—Canadian Locomotive Company, G. Y. Chown, Dr. A. P. Chown, \$25—Dr. J. C. Conell, Charles Livingston, F. G. Letters to the Editor

Corrects A Statement. Veroba, March 28.—(To the Editor): I wish to correct an insult and falsehood N. Albertson, 114 Bagot street, published against me. He says his mother died a Methodist and although I should know, as I cared for her, Rev. Father Powell visited her frequently, and she had the rites of her church, and there was a high mass celebrated for her on March 22nd at her request. She did not wear a Methodist sash. Rev. Mr. Fairbairn never visited her, nor was he at my house at all. —BEARNARD KENYON. —MRS. WILLIAM KENYON.

Dr. Creelman Coming April 17th. Dr. Creelman of Guelph Agricultural College, will speak on "Greater Production" at a public meeting in the City Hall on April 17th, at 8 p.m., under the auspices of the Women's Canadian Club. Everybody interested in gardening should hear him.

The Theatres

"The Eyes Of The World."

Two or three years ago Harold Bell Wright, the most popular of living writers, whose eight romances, including "The Shepherd of the Hills," "The Whittling of Barbara Worth," etc., have had a total sale of nearly eight million copies, added to his galaxy of best sellers "The Eyes of the World." This story of adventures and romance in the cities and mountains of Southern California has been put into elaborate pictorial form for the theatre by the Clune Film Producing Company, and the announcement is made that the production will be shown at the Grand Opera House on Wednesday, April 3rd, for four days' engagement. For six months past, the entire resources of the great Clune studios in Los Angeles have been concentrated on the elaborate filming of Wright's story. It is promised for this work that it is the finest translation of a current popular romance ever prepared for the screen. It is in ten sections and consumes an entire afternoon or evening in its showing. The scenario for the work was prepared by the noted author himself, who also gave his personal assistance to the day-by-day work of interpreting his characters for the production.

At The Strand.

Last night's feature at the Strand was the presentation of Francis X. Bushman and Beverly Bayne in "Romeo and Juliet" and the large audience was well pleased with the remarkably clear picture which gave these two well-known artists such scope to exercise their abilities. It took a long time to persuade them to appear in the film, and it was only after every detail had been perfected that the consent was given. The result is a film which shows splendidly these two artists in the highest possible characterization of Shakespeare's world-known drama. It will be presented to-night and again tomorrow afternoon and night, and in the evening there will be comedy reels which will serve to lighten the programme.

BRIG.-GEN. W. S. HUGHES LIKELY TO GET POST

It is Expected He Will Be Made Superintendent of Penitentiaries.

Although no official announcement has been made, it is understood that Brigadier-General W. S. Pierre Hughes, former officer commanding the 21st Eastern Ontario Battalion at the front, will be brought back to Canada to take the position of superintendent of penitentiaries in Canada, says an Ottawa despatch. The Government, with the concurrence of the Opposition, has decided to appoint a superintendent of penitentiaries and three inspectors. General Hughes is well-known in military circles. He commanded the 14th Regiment at Kingston, and when the war broke out he organized and commanded the 21st Battalion, one of the finest corps to leave Military District No. 3. He commanded the unit for a time in France, and on being promoted to a staff appointment relinquished command of the battalion to Lt.-Col. Elmer Jones, of Brockville.
