Canadian Locomotive Works.

The Canadian Locomotive Company has sufficient orders on its books to maintain the plants at ca-pacity until early in 1919. It will be recalled that recently the Dominion Government placed orders for 160 locomotives. Half of these went to the Montreal Locomotive Works. As the Canadian Locomotive Company has old orders on the books that will keep the plants busy until June, they will not begin the new order pany has an open order for 4.7 shells for the Munitions Board, and has operated on these unceasingly. While there has been some delay over deliveries of raw materials to the plants. the operations of the company continue satisfactory.
