The greatest motion picture of all time.

Theda Bara in Cleopatra

The greatest screen siren of today as the greatest queen siren of yesterday.
MISS BARA AT HER BEST
What a New York newspaper had to say of this spectacle:
"The picture is so big that one is completely overwhelmed. The spectacle simply beggars description. The greatest of all film spectacle plays. There is no stint in anything. The production is flawless in its settings, magnificent beyond compare, and the performance of Miss Bara is at all times vastly interesting. Never has she looked so regally beautiful, and if the original Cleopatra was just half so lovely we do not blame Anthony for renouncing Rome." — N. Y. Tribune.
