SUFFERED TERRIBLY WITH HER HEART WOULD WAKE UP SMOTHERING

The terrible smothering and choking up sensations and sinking spells, the feelings of dizziness and faintness that come over those whose heart and nerves are deranged causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills give prompt relief and effect a complete cure in cases of such severity.

Mrs. A. M. Powell, Norval Station, Ont., writes: "I cannot speak too highly of Milburn's Heart and Nerve Pills. I suffered five years with my heart and nerves, but the last two years I have suffered terribly. If I went to bed I would wake up if I were smothering. I did not get one night's sleep out of seven. I got so very weak that the doctor was called in, and he said it was my heart, and that I must take great care of myself. I saw your advertisement in your almanac for Milburn's Heart and Nerve Pills, and said I would try them. I have only taken two boxes of them and I feel a new woman. I will recommend them to anyone afflicted with heart trouble."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Shewell-Jackson Wedding. A very quiet but pretty wedding took place in Christ Church, Cataragui on Wednesday evening at eight o'clock when Florence Mary, second eldest daughter of Mr. and Mrs. W. H. Jackson, was united in marriage to George Shewell, also of Cataragui. The couple were attended by Mrs. Harry Wendhold, sister of the bride and the groom's brother, Cecil Vanalstine, Albert street, Kingston. The bride was prettily attired in a suit of navy blue serge with hat to match and carried a pretty bouquet of white roses. The matron of honor was attired in grey and wore a corsage bouquet of pink roses and maiden hair fern. After the ceremony the bridal party motored to the home of the bride, where a buffet luncheon was served to thirty-five guests, the relatives and friends of the couple. The groom's gift to the bride was a gold locket and chain, to the bride's attendant a gold bar pin and to the organist a gold bar pin. Many useful presents were given to the happy couple, who will reside in Cataragui.

TWO NEW CONSTABLES TO REPLACE FOUR

The Police Commissioners Decide Not to Appoint Any More at Present.

A meeting of the Police Commission was held Tuesday afternoon to consider appointments to the vacancies on the police force caused by the recent resignations of four police constables. The chief of police was authorized to appoint James A. Downey, who was formerly a member of the force, and Frank Miller. The Commission does not feel that any more should be appointed at the present time, or at least until the need is apparent.

Those present were Judge Lavell, Mayor Hughes, Police Magistrate J. M. Farrington, William Nicholson and Daniel McCarrey, who recently handed in their resignations, on duty for the last time on Monday night. Constables Ernest Clark and Earl Jenkins have already quit, and are now employed in the Kingston Shipbuilding Company's yards. Daniel McCarrey is employed at the locomotive works.

LARGE AUDIENCES AT GRAND.

"Cleopatra" with Theda Bara is an Amazing Film.

The showing of "Cleopatra," featuring Theda Bara, at the Grand Opera House on Tuesday afternoon, and evening delighted packed houses at both performances.

The stupendous scale of the production, with its thousands of soldiers and wonderful battle scenes, caused not small amazement. The minute details of the production have been executed with fidelity, and the imagination needs little stimulus to realize the greatness of the ancient empires. It would be rather difficult to give a psychological analysis of Theda Bara, for she has assumed the role of Cleopatra with rare aptitude. Writers have tried in their attempts to explain her motives in appearing in such repulsive vampire roles, and some have even said that she is the reincarnation of Lucretia Borgia. However, one cannot doubt her ability for character actors she has sought to delineate in the wonderful production of "Cleopatra" she adds much to the grandeur and brilliance of the film.

The final showing of the picture will be on Wednesday evening.

BRIG-GEN. W. S. HUGHES

Has Returned From Overseas—Coming to Kingston.

Brig-Gen. St. Pierre Hughes was one of a party of returned officers to reach an Atlantic port on Tuesday. He left Kingston in May, 1915, in command of the 21st Battalion, and served with it in France, afterwards becoming brigade commander.

Prior to going overseas General Hughes was one of the inspectors of penitentiaries in the Department of Justice, and recently his name was mentioned in connection with the new position of superintendent of prisons being created by an amendment to the Penitentiaries Act, relieving the Minister of Justice of much direct oversight in the administration of the prisons.

He will be in Kingston in the course of a few days.

The Old-time Painter Says:—

A painted barn means a well kept farm. There's certain seasons a farmer will worry himself grey-headed till he gets his crops under cover.

IMPERIAL BARN AND ELEVATOR PAINT

preserves the property that protects his crops. It's a paint that's just made for that purpose—the protection and preservation of barns, silos, stock buildings, fences and the like.

The better appearance it adds to the farm will get a better price when he comes to sell. As for cost—well IMPERIAL BARN AND ELEVATOR PAINT stands against the weather like lightning rods against lightning. It comes costly to be without either of them some day. IMPERIAL BARN AND ELEVATOR PAINT is a good preservative paint, keeps its color and will look good and be good for years.
