## Don't Think--

That because in the past you  
could not get a decent job  
done on your old hat, that you  
cannot now. We are here for  
your benefit.

In order to make over an old  
hat, one must know how to  
make a new one from start to  
finish. We don't experiment;  
we know how. Seventeen years  
at the bench is why we know.  
Why not get yours done right?  
It costs no more, that reference  
—your milliner or hatter—
