GOT WET FEET TOOK AWFUL COLD COULD NOT SLEEP FOR COUGH.

A bad cold accompanied by a distressing cough that keeps you awake at night is most aggravating, and unless it is attended to at once may develop into something very serious. Dr. Wood's Norway Pine Syrup is the remedy you should take. It cleans the mucous surfaces, relieves the oppression and tightness of the chest, removes the accumulation of phlegm, quiets the most obstinate and distressing coughs, and secures rest and sleep at night, not only to the sufferer, but to others whose rest would be otherwise broken.

Mrs. Elizabeth Acker, Lake Pleasant, N.S., writes: "I got wet feet and took an awful cold; could not sleep at night, and would do nothing but cough. My husband got me a bottle of medicine, but it was not worth bringing home. I was going to call the doctor in when a friend asked me to try Dr. Wood's Norway Pine Syrup. I told her I had little faith in it, but she urged me to get a bottle. I did, and I must say that it is the best, and relieved me the quickest of anything I ever saw."

"Dr. Wood's" is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c; manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

NURSES GIVEN DIPLOMAS

COMMENCEMENT EXERCISES OF GENERAL HOSPITAL SCHOOL

A Most Interesting And Charming Event at Sydenham Street Church on Friday Night—Twenty-five Members in the Graduating Class This Year.

Sydenham Street Methodist church was the scene Friday night of a most interesting and charming event, the occasion being the thirtieth annual commencement exercises in connection with the Kingston General Hospital Training School for Nurses. Twenty-five young women, who have completed their strenuous course of training, were awarded their diplomas. The church was filled to the doors, many having to stand during the ceremonies, and this in itself demonstrated the keen interest that is manifested in the work of the nurses. The members of the graduating class occupied seats on the platform erected for the occasion, while the other nurses in training occupied the seats in the choir. Demure in their trim uniforms, the girl graduates presented a most attractive picture. Each graduate carried a beautiful cluster of flowers, and a most interesting event during the proceedings was that of the presentation of flowers, in some cases baskets of flowers, the graduation day tributes of relatives and friends. The platform was truly transformed into a bower of beauty.

The nurses were accompanied by Miss Claudia Boskill, Superintendent of Nurses, and Col. R. E. Kent, chairman of the Board of Governors of the General Hospital, who presided. The programme opened with the march Solenne, played by Ernest Medrand, and during the rendition of this selection the nurses marched in to the church. Then followed the singing of the National Anthem and prayer offered by Rev. W. T. G. Brown. Col. Kent spoke briefly, referring to the large class of graduates and then introduced the various numbers on the programme. The nurses led by Miss Boskill, recited the Florence Nightingale Pledge. F. G. Lockett, vice-chairman of the Board of Governors of the General Hospital, gave an interesting history of the training school for nurses, and Rev. Douglas Laing presented the diplomas.

The presentation of hospital emblem pins to the graduates was made by Mrs. W. F. Nickle, President of the Woman's Aid Society, and Mrs. George Nicol, president of the Nurses' Alumnae. Rev. Dr. Bruce Taylor, principal of Queen's University, delivered the address to the graduates, in which he referred to the status of the profession, and paid a warm tribute to the work of the Canadian nurses. He also referred to the noble work the nurses are carrying on overseas and on behalf of all present warmly congratulated the members of the graduating class, and wished them every success. The various prizes were presented as follows:

Gold medal, given by W. F. Nickle, M.P., and won by Miss Daisy McNamee, presented by Mayor J. M. Hughes; silver medal, given by Col. A. E. Ross, M.P.P., and won by Miss Blanche Wesley, presented by Col. R. J. Gardiner; materia medica prize, won by Miss Daisy McNamee, given and presented by Dr. H. A. Boyce; pediatrics (diseases of children), won by Miss Grace Asselstine, given and presented by Dr. H. E. Day; minor surgery, won by Miss Lilla Wilson, given by Dr. J. J. Keyes and presented by A. Shaw; intermediate prize from Board of Governors, won by Miss Carlotta Brouse, presented by N. C. Polson, jr., honorary secretary; junior prize, from the medical staff, won by Miss Luella Hutcheson, presented by Dr. Wright, medical superintendent.

During the evening an excellent programme of music was rendered, which included the following numbers: Violin solo, "Meditation," by Arthur Locke; vocal solo, "One Flew Over the Cuckoo's Nest," with violin obligato (by Arthur Locke), Serg. W. Harrison; vocal solo, "Love That Is Strong to Abide," by Miss Foster; vocal solo, "O Day Divine," by Mrs. J. C. R. MacPherson; vocal solo, "The Trumpet."

Noises in Ears, Twitching Nerves

Told of the Exhausted Condition of the Nerves—Indigestion and Weak Heart Action Were Other Symptoms.

Kingston, Ont., May 11.—There are few people in this city who are not acquainted with the exceptional restorative power of Dr. Chase's Nerve Food. Reports have come from almost every street of the Lines, from stone City telling of cures effected by this treatment, and the druggists have been surprised at the enormous demand for this great nerve restorative.

This is not to be wondered at when cure is effected in such extreme and complicated cases as the one described in this letter. Mrs. M. A. Couling, 61 Stanley street, Kingston, Ont., writes: "For a number of years I suffered from a rundown condition of the system, due to overwork. I could not sleep and was restless and worried. I had pains through my back, buzzing in the ears and twitching of my nerves and muscles. I had indigestion and my appetite became poor. I would get drowsy after eating and frequently suffered from great weakness. My circulation was poor, my hands and feet always cold and my heart action weak. I consulted doctors but they could do nothing for me. Whilst in this condition I decided upon a trial of Dr. Chase's Nerve Food. After taking eight boxes of this medicine I am relieved of all the symptoms from which I suffered before, and in general I feel like a new woman. I used to be very constipated, so I took Dr. Chase's Kidney-Liver Pills in connection with the Nerve Food, and am completely cured of that trouble, too."

Dr. Chase's Nerve Food, 50c a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmanston, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

COLLEGIATE CADETS CORPS

OVER TWO HUNDRED BOYS ENROLLED IN EFFICIENT UNIT

The Corps is instructed in Military Training by J. W. Kelly—The List of Officers. Not only on the field of battle have the pupils and ex-pupils of the Collegiate Institute been bringing glory to their school, but in the school itself during the winter 231 boys have been assiduously learning the elements of military training. Under the instruction of J. W. Kelly the boys have become remarkably efficient in drill and in shooting. The discipline in the corps is commendable and a splendid spirit has developed. Parades after school hours have been frequent during the winter, and shooting competitions have been held. During the next few weeks two teams will compete for the Imperial Challenge Shield which has been donated during the past few years to the school reaching the highest mark in the British Empire. A competition is also planned for the school gold medal.

The officers of the corps are: Battalion commander—Harold E. Searle. Adjutant—Wilfred Lockett. Quartermaster—B. Harpell. Sergeant-Major—C. Devlin. Bugler—H. Dean. A. Company officers—Jack McKeelvey, Donald McPherson, Samuel Vanalsteyne. A. Company section commanders—B. Pickford, J. Reginald Sawyer, Vivian Sills, Malcolm Macgillivray. B. Company officers—A. Turner, W. Germaine, Miller Donnelly. B. Company section commanders—V. Stephen, Grant Minnes, C. Daykin, V. Johnson. C. Company officers—C. Vokes, Douglas Gimblett, George Carson, John Finlay. C. Company section commanders—M. Francis, G. Turner, W. Wright, J. A. G. Hudson.

Baby's Own Tablets

Always Kept on Hand. Mrs. Ernest E. Adkins, Brotton, Sask., writes: "I have used Baby's Own Tablets with great success for four years and always keep a box on hand." Thousands of other mothers say the same thing—once they have used the Tablets for their little ones, they will use nothing else. Experience shows them that the Tablets are the ideal medicine. They are a mild laxative, thorough in action and never fail to relieve the minor ailments of little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

STANDS IN FOREFRONT

In Securing Young Men For Military And Farm Service. The securing of men for the military forces and for the productive forces is the outstanding task of the leaders of Canada at the present time. In both fields the Collegiate Institute has been in the forefront.
