Triangle Fund

It has come to our attention that many of our citizens were not waited upon for their contribution to the Red Triangle Fund.

It was our purpose to thoroughly canvass the city, but notwithstanding the large body of workers, it was found impossible to completely cover the field within the three days of the campaign.

We are sorry that anyone was missed, for every dollar available is urgently needed.

It is earnestly hoped that those who have not been canvassed, and have contributions not yet called for, will send the same to Lieut.-Col. W. H. Macnee, Honorary Treasurer, care Macnee & Minnes.

With sincere appreciation of the most generous response already made by the citizens of Kingston-
