Could not some arrangement be made whereby the Street Railway Company could issue, if not free tickets, at least reduced fares for these boys, who have given their best so that those here at home may live in

The citizens of Kingston are, at present, enjoying an over-dose of prosperity, and I take this opportunty of asking them, who deserves the redit for this prosperity? If it were not for the boys who have been over and done their bit, would they fee as secure, and enjoy the peace and comfort they are now enjoying?

There are more automobiles in Kingston than in any other city of its size in Canada, but I have seen a number of the boys from "Mowat" walking into town, and five autos in a row, with no one in them but the driver, pass these men, and not one of them would offer to give the boys

Considering the number of cars in Kingston, would it be asking too much if some of the owners of these ears, would place them at the disposal of the boys from "Mowat" to take them for a little spin, two or three times a week.
