BASEBALL GAMES MONDAY

KINGSTON DEFEATED HAVANA RED SOX 3 TO 2.

First Defeat For Pop Watkins' Team Here — In Morning Red Sox Won by 13 to 10.

The King's Birthday drew a small crowd to the Cricket Field on Monday morning to see the Red Sox and the C.L.C. clash, but in the afternoon there was an unusually large number of fans out to cheer for Kingston against the Havana Red Sox.

The morning game proved more interesting than the afternoon for "Pop" Watkins and his men entered were not up to their usual form. In the morning Red Sox won, from C.L.C. by 13 to 10, the big score being built upon a series of errors.

The teams—Red Sox—Graham, cf; Baker, 3b; Penning, 2b; Stagg, lb; Smith, ss; Cummings, c; Saunders, p; Little, rf; Fitzgerald, lf.

C.L.C.—Devlin, c and 3b; Gourdier, 2b and lb; Wilson, rf; Shannan, lf; Cummings, c; Hughes, ss; Dickey, rf; Strew, p and rf; Pannon, 2b; Pound, c.

It was a rather listless game in the afternoon and Kingston won out by a score of 3 to 2. Havana Red Sox worked hard to pull over a win but were defeated for the first time in Kingston.

The teams—Kingston—Sporr, 2b; Stewart, 2b; Schultz, 1b; Cotman, c; Coyne, lf; Millan, cf; Partell, p; Thompson, ss; McNeill, rf.

C.L.C. TEAM WON IN TENTH INNINGS

Defeated Red Sox by 15 to 14 — Game Was a Tie in the Ninth.

C.L.C. won the second game in the City League baseball series against Red Sox at the Cricket Field on Saturday afternoon when Fannon scored in the tenth innings and broke a tie of 14 to 14.

The game was very sloppy all through and the score indicates the play. A mingling of junior and senior players in any league will not

work out to a consistent ball game. The teams: G.L.C.—Appleby, ss.; C. Devlin, c; Buckley, p and lf; Gourdier, 2b; Guthrie, p and cf; Fannon, 2b; Hughes, cf; Strew, rf and cf; J. Devlin, 1b; Wilson, cf.

Red Sox—Graham, lf; Adams, cf; Saunders, 2b; Baker, 3b; Penning, ss; Stagg, 1b; Conley, c; Fitzgerald, ss, and rf; McKee, p.

GERMAN SHELL DOES SPORTSMAN GOOD TURN

Word has been received from Lieut. W. G. Baber, the well-known McGill cricketer of Montreal, of an interesting experience that recently happened to himself and a friend. During a retirement of British troops several weeks ago Mr. Baber found himself and the friend in question in the hands of a sufficient number of Germans to warrant them being satisfied with being taken prisoners. Just at the moment, however, a shell descended close in, then another, and another. The German capturers humbled themselves in the dust, and when the next shell came sizzling through the air, Baber called out to his friend: "Beat it!" They "beat it" in good style, and are now carrying on on the right side of No Man's Land.

BOMB PROOF JOBS

For Ball Players Are By No Means Sure.

The Charlestown and Newport navy yards are intensely interested in the recent announcement from Washington that ball players who are holding "bomb proof" jobs are to be investigated.

Each of the places, with particular emphasis on the Charlestown yard, harbors a number of former big leaguers and former class AA players. In fact, it is probable that the baseball club representing the Charlestown yard could make a stiff fight for the pennant in either of the big leagues. They are going through the war with pens for guns and desks for breastworks.

Only two Boston big league ball players have enlisted to fight. One of them is Hank Gowdy, Braves' catcher, first of the big leaguers to go into service. The other is Dick Hoblitzel, former first baseman of the Red Sox. Hoblitzel, a dentist, will go to France. He was several times rejected on account of physical disability, but an operation made it possible for him to pass an examination and get in line for a commission.

Grover Cleveland Alexander set an example that some of the men in the naval reserve might have followed.

When drafted there was an effort made to get Alexander's enlistment in a certain branch of the naval reserve force. A man was sent to see him, but the famous pitcher sent the emissary away with the information that, as he had been drafted into the army, he considered it his duty to fight in the army, and that he was looking for no favors in order to avoid being exposed to the battles in Europe.

Dempsey and Fulton. Jack Dempsey of Salt Lake City, Utah, and Fred Fulton of Rochester, Minn., have signed articles to meet in a 20-round contest to a decision at Danbury, Conn., on July 4th.

The bout will be promoted by J. R. Mulvihill of Danbury. The amount of the purse was not made known. The principals have agreed to allow ten per cent. of the gross receipts of the fight to go to war charities.

Mulvihill announced arrangements had been made for motion pictures to be taken of the bout, and these will be turned over in their entirety to war charity purposes. " Honest John" Kelly of New York City was named official stakeholder.

Twilight Ball Makes Good. Twilight ball has been introduced by the clubs of the American Association. With the daylight saving plan, there is plenty of time for games after dinner and some have already been played. They are attracting big crowds and league officials believe the plan will prove a great success.

Sporting Notes

Third baseman "Joe" Evans has rejoined the Cleveland team.

Montreal sport enthusiasts will take up a collection to help Jack Laviolette, who has been fitted with an artificial leg.

John Ganzel's Kansas City club is now in first place in the American Association race, with Louisville second.

Art Wilson's better stick work is getting him the call over John Henry as first string catcher of the Boston Braves.

Oscar Vitt, the Tigers' third baseman, is without a superior. Take Bush, Cobb, Veach and Vitt out of the team and Jennings would find himself in the cellar.

"Glad" Graney, the St. Thomas product, was responsible for Cleveland winning from the White Sox the other day, his sacrifice scoring the winning run.

Catcher Paul Cobb has been released by the Detroit Tigers to Syracuse. He is no relation to "Ty" Cobb.

JOHN ROSS ROBERTSON

President of the O.H.A. When 70 Years Old.

Into the fullness of years the late John Ross Robertson carried the spirit of youth. When well on toward 70 he was still president of the Ontario Hockey Association, after holding that position for six years.

He was no figurehead president, but entered into the deliberations of the executive and annual meetings with vigor and enthusiasm. He fought for the purity of amateur athletics and won for the O. H. A. a reputation enjoyed by few similar organizations on this continent. The Robertson Cup, emblem of the O. H. A. championship, was one of the classic trophies of Canadian sport.

Kyle With U.S. Army

Andy Kyle, who played hockey in the old Maritime professional league, and later got a try-out with the Toronto in the N.H.A., has gone into the army of Uncle Sam and thus satisfied the demands of two nations. Kyle was playing minor league baseball. He is of draft age, but being a Canadian, thought he did not have to register in the States. He found out differently, and was hauled up and told where to head in. He headed by enlisting.

King George Baseball Fan.

King George is a baseball fan. Lieut. G. M. Price, sports officer of Sunningdale Canadian hospital, wrote to the Anglo-American league, asking for a place in the league for the Sunningdale team: "In regard to the popularity of our team, I need only point out that His Majesty the King makes a practice of attending our games at Sunningdale."

At Denver, Colo., Jack Dempsey, of Salt Lake City, knocked out Arthur Pelkey, the Canadian heavyweight in the first round of a scheduled fifteen-round bout. The bout lasted only one minute.
