OVERTURNING OF A CANOE  
INCIDENTS OF THE DAY

PLACED TWO YOUNG MEN IN  
DANGER OF DROWNING.

Their Rescue Was Effected In Har-  
bor at Foot of Princess Street—  
One Young Man Slightly Injured.

Two local young men, Frederick  
Linton and James Ackroyd, had a  
narrow escape from drowning when  
their canoe overturned at the foot  
of Princess street shortly after seven  
o'clock on Saturday evening. Earlier  
in the evening they had set out for  
a short paddle and were just return-  
ing when a heavy wave struck the  
side of the craft and overturned it.  
The accident was observed by some  
young ladies, and they immediately  
sent a call into the police station  
and Corbett's ambulance was sum-  
moned. Constable Leslie Armstrong  
took the grappling irons to the scene  
of the occurrence, but in the mean-  
time the young men had been  
brought to shore. They were ex-  
hausted from exposure in the cold  
water and were hastened to their  
homes.

One of the young men was slight-  
ly injured when he was struck by  
the boat, but was able to keep afloat  
until assistance was available. The  
accident drew several hundred per-  
sons to the scene of the occurrence,  
impeding the work of rescue.

ECLIPSE OF THE SUN  
ON SATURDAY EVENING

Was Viewed by the Citizens—  
Three Quarters of Sun  
Eclipsed.

The partial eclipse of the sun was  
observed by many persons on Satur-  
day evening. Smoked glasses and  
colored spectacles were much in evi-  
dence, and on Princess street many  
citizens could be seen watching the  
eclipse. About three-quarters of the  
sun was eclipsed and the interesting  
phenomenon attracted much atten-  
tion.

The last eclipse observed in the  
city was on the day that the 46th  
Queen's University Battery left for  
the front, over two years ago. In the  
year 1925 Kingston will be within  
the path of totality when the eclipse  
will occur some time in the month  
of January. This is, of course,  
phenomenal, for it is only perhaps  
once in a thousand years that the  
path will fall directly across this par-  
ticular portion of the planet. It is  
quite probable that many who viewed  
the partial eclipse on Saturday will  
also have the unusual privilege of  
witnessing the total eclipse when the  
sun will be wholly shadowed in a few  
years from now.

In Need of Repair.  
Residents of Union street, from  
Barrie to Alfred would like to see  
that roadway fixed now that the  
street car tracks are being raised.  
The road is certainly in bad condi-  
tion, and if the Board of Works can  
clear it up clear to do something to  
it, vehicle drivers would be glad.

The Government War Tax of 10c  
per pound advances the selling price  
of "SALADA" Tea, but money has  
to be provided to assist the Mother  
Country and her Allies to win the  
war, and the public contribution in  
these little sacrifices will mean much  
to this end.

I. E. Pedlow, M.P., has intimated  
to the fair secretary that he intends  
to give a donation of \$100 for special  
prizes to this year's fair.

Two Put Up a Fight But Lost After  
the Evidence Was Taken—Youth  
Given Suspended Sentence on a  
Charge of Theft.

There is serious trouble for auto  
drivers who "cut corners." In police  
court on Monday morning five cases  
of this kind were on the docket, and  
in each case a fine of \$5 and costs  
was imposed. In two of the cases a  
plea of "not guilty" was entered,  
but after taking the evidence Magis-  
trate Farrell found the parties  
charged were guilty and imposed a  
fine. The police will continue the  
crusade.

Those who were fined were Geo.  
Babcock, Joseph Feeney, L. C. Lock-  
ett, William Perry and Harvey  
Sharpe.

In the case of Joseph Feeney an  
accident occurred. On Wednesday  
night last a man riding a bicycle  
collided with Feeney's car at the  
corner of Bagot and Princess street.  
A sixteen-year-old boy, arrested  
on a charge of stealing forty feet of  
garden hose, pleaded guilty. C. H.  
Webster appeared for the youth,  
and pointed out that it was the first  
time he had ever been in trouble,  
and on this account asked for leni-  
ency.

"On the spur of the moment the  
boy appears to have been overcome  
by an evil spirit," remarked Mr.  
Webster. His father has paid for  
the hose and I would ask that you  
show leniency."

Magistrate Farrell said he would  
allow the accused to go on suspen-  
ded sentence, and expressed the hope  
that he would take advantage of the  
chance given him to redeem him-  
self.

We will rent you a piano, and at  
end of six months if you feel like  
purchasing instrument we will al-  
low the six months' rental on pur-  
chase price, and arrange easy terms  
on balance. C. W. Lindsay, Limited.

AT FIRST BAPTIST CHURCH.

Stewart G. Cole Delivered Able Dis-  
courses at Sunday Services.

Stewart G. Cole, a graduate of  
McMaster University, who has been  
accepted for missionary work in  
India, preached at both services in  
the First Baptist church on Sunday,  
and delivered able discourses. In  
the morning he preached on the sub-  
ject, "Follow Me," and in the evening  
on "What Think Ye of Christ?"

At the close of the evening ser-  
vice a farewell recital was given by  
Mrs. Mather, who with Prof. Mather  
leave this week for Dayton, Ohio,  
their former home. Both have been  
active workers in the church since  
coming to the city, and their leaving  
is much regretted.

Mrs. Mather played five numbers  
and the members of the choir also  
assisted. The choir sang "Now the  
Day is Over," and there was also a  
duet by the Misses Braithwaite and  
Singleton. During offertory Mrs.  
Mather sang very sweetly, "O Love  
That Will Not Let Me Go."

Canon Fitzgerald III,  
Canon Fitzgerald was taken sud-  
denly ill on Saturday morning, but  
is improving. Rev. C. S. Spennell  
officiated at the morning service at  
St. Paul's and Archdeacon Dobbs  
took the service in the evening.
