NAMES ARE RECOMMENDED

FOR THE POSITION OF CHIEF OF POLICE.

By the G. W. V. A.—Citizens Asked to Transport Returned Soldiers From the Trains to the Hospitals. At Monday evening's meeting of the Great War Veterans' Association, the matter of the appointment of a new chief of police came up for discussion. It was decided to place before the Police Commissioners the claims of the returned soldier for the position in question, in view of the announced policy of government and city. Discussion arose over the advisability of submitting names. The vote decided that the following four names should be submitted: Lieut. L. J. Dyer, Lieut. J. S. McDonald, Sgt. Major P. Elmer, D.C.M., and Sgt. Major F. J. Pollitt. The feeling of the meeting seemed to be that the Association should not hold the Police Commissioners to names so much as to the principle that the position ought to go to a returned man. On this last the members decided to stand firm.

The notice of motion with regard to the Y. M. C. A. was withdrawn in view of the fact that comrades have been asked by provincial headquarters to submit definite signed complaints and forward them to Toronto.

Reports on Celebration.

Reports were filed from chairmen of sub-committees of "Over the Top" celebration. The prospective and assured floats now number twenty-two. Captain Edwards submitted a request for between three hundred and four hundred dollars worth of fireworks for the evening celebration. The request was passed. Letters are being sent out by Sgt. Harrison to those who are likely to have war trophies, assuring them that the best of care will be taken by the committee of any trophies loaned for the day.

Certain correspondence was made public with regard to the obtaining of the American troops from Sackett's Harbor. "E" Company, 22nd American Infantry, under Lieut. R. M. Glenn, has been requested both through Lord Reading, British Ambassador at Washington, and the G. O. C. M. D. No. 3. A number of the out-of-town guests who are expected for July 1st have already signified their readiness to be in the city on that day, while others are still to be expected from Arthur Meighen, who it is understood will be in the city on that day, is to be asked to act as a judge in several of the contests.

Citizens and Returned Men.

The Association was very pleased with the method adopted by the Casualty Officer, Major Sharp, for conveying information of the arrival in the city of returned men from overseas. Major Sharp sends a special delivery message with a copy of the telegram received from the officer commanding the clearing depot at Halifax. It was felt that such good notice many of the comrades would be on hand to welcome the boys back. The members present heartily endorsed Major Sharp's suggestion that citizens be asked to form themselves into "Volunteer Transport" for the purpose of talking from the train to hospitals, etc., men newly arrived from overseas.

The local Association has endorsed Brig.-Gen. W. S. Hughes, D.S.O., for the position of superintendent of penitentiaries for Canada. It is felt that in view of his broad experience in penitentiary work and his service overseas, he is the logical man for the position.

It was decided that Comrade Bowker supply the Association with a framed photograph of the delegates at the Ontario Provincial Convention. A hearty appreciation of Major Starr was received from the Minister of Militia, and the Association was assured that nothing is further from the intentions of the Department than that any slight should be put upon him.

Anonymous Complaints.

A number of complaints were laid before the meeting by the chairman of the investigation committee. One anonymous letter particularly interested the members. It was claimed that a certain woman had attempted to obtain in the city a lawyer to take a case for her, and had been unable to secure one. The case is being looked into, and the Association guarantees that a lawyer will be secured. The unfortunate part of the communication was that the name was not given of the party who could not obtain the legal assistance. All members are requested to be at the Fair Grounds Tuesday at 7.30 p.m. for a full rehearsal of "Over the Top."

In future a roster of members is to be kept with a view to determining what members attend meetings and take an active part in the work of the Association and what members merely attend when they have some measure to railroad through. The semi-monthly dances are to be discontinued during the summer, as it was felt by the members that dancing in enclosed rooms is not popular during the hot weather.

The Theatre

At the Grand.

Beautiful Gladys Leslie, the girl with the "million dollar smile," was seen at the Grand last evening in "The Wooing of Princess Pat," which is the story of a capricious girl transformed into a woman by the miracle of love. Supporting this delightful little star were a strong cast of favorites, such as J. Frank Glendon, Temple Saxe, Bigelow Cooper, William Dunn, and others. "Princess Pat" is a play with a punch, and is a combination of wholesome comedy and drama that holds the interest. It is the type of picture that will find popular favor because it is consistent with present day trend of picture "fans" to seek entertainment that strikes a cheerful, optimistic note. Other films shown were the Pathe News, a Judge Brown story that was better than any yet presented, and a good comedy, along with Frank and Clara LaTour in a vaudeville sketch that is a winner. This excellent programme will be repeated to-night and Wednesday, matinee and night only.

At Griffin's.

Admirers of Jack Pickford and Louise Huff gathered in force at Griffin's last evening to witness the initial presentation in this city of their latest Paramount picture, "Minute Kendall." In this superb picturization of a famous stage success by Owen Davis, Jack Pickford has one of the finest roles in his career as a cinema star, and he awakes the most of it. The story is essentially dramatic, the situations being strong, but relieved by wholesome comedy. In Mr. Pickford's support in this picture is his sister Lottie, who is seen for the first time in a Paramount picture with her illustrious brother. The closing chapters of "Vengeance and the Woman," and other features on a highly meritorious bill provided many delightful moments for all who attended last night's performance. This programme is well worth a visit either to-night or to-morrow.

At the Strand.

If you want to prove to yourself that happiness is possible in any walk of life, and that the possession of wealth is not necessary, visit the Strand and see the favorite Harold Lockwood exemplify it in his latest picture, "The Landlady," said to be his best. Besides the merit of the story told, this picture has been commended for its excellent photographic work. Many of the scenes were taken at Palm Beach, that haven of the winter tourist. In addition there is a three-reel trip through Australia, which is highly commended. It is something new in the movie art and has just that change which will satisfy theatre-goers. Comedy reels round out this special feature, which was viewed by large audiences yesterday. The features will be shown to-night and to-morrow, matinee and night.

Letters to the Editor

Statement of Union Officers.

Kingston, Ont., June 18.—(To the Editor): Would you kindly permit us space in your valuable paper to state our position re dispute of the Davis Tannery and the employees. The dispute is in sympathy of the six men who were discharged above union having been discharged on Monday, June 17th. Such action by the employers, in our opinion, is on account of their activity in union matters. Now we wish the public to balance this in their own mind and treat us accordingly.

Military News

The training of the soldiers at Barrfield Camp is now proceeding, and in order to facilitate the work the company organizations have had to undergo modifications. The syllabus has been revised. Companies "B," "C" and "D" will be divided into smaller units that will conform to battalion companies and the men will thus receive their training in actual company and platoon formations. Instead of each company being handicapped by having some of its members in the segregated sections, complete units will be formed as rapidly as the M.O.'s pass them over. This will relieve the officers whose duty it is to supervise the training from a lot of worry unnecessarily occasioned by clerical work in looking after their men. The depot comprises more than two battalions, and the men have been registered in four companies, so that the change was necessary in order to proceed with the training in conformity with the battalion formation.

Lieut.-Col. G. H. Gillespie is in Deseronto presiding at a court of inquiry. He will proceed to Regina in the near future and will be employed for some months on the staff of M.D. No. 12.

Draftees coming within the terms of order-in-council No. 668 are not to be discharged, but are to be given leave of absence without pay until men in category "C" are ordered to report for duty or for re-examination. The deputy registrar must be advised in all cases. Men returned from overseas without having served in the actual theatre of war are to be dealt with in the same manner.

The following have been appointed lieutenants in the A.M.C. Training Depot No. 3: G. R. Stewart, H. C. Connell, R. C. Lyon, E. L. Fuge, M. Kerr, S. J. W. Horne, D. L. McDonald, E. M. McCoy, L. C. Purvis, M. R. Bow, V. C. McCuaig.

S. V. Saunders is detailed for duty with the A.D.D.S., M.D. No. 3.

Capt. P. B. Inkster, I.C.A.S.C., has been struck off the strength of the C.E.F.

Major F. D. Boggs, late 39th Battalion, has been appointed assistant J.A.O., M.D. No. 13, and is granted the rank of lieutenant-colonel in the C.E.F. while so employed.

The cereal works building will not be used as a barracks again and the work of the removal of banks, etc., will be started at once so that the building may be left in the same condition it was before it was taken over by the 21st Battalion.

Lieut. M. R. Clark, at Renfrew, recuperating after undergoing a somewhat serious operation in Queen's Military Hospital. He returned for the second time to the war zone, attaching himself to the 129th Battalion, and it will largely depend upon his health whether his inclinations will permit him to cross over for the third time.

Lieut.-Col. Erwin L. Stone, M.D., has been appointed to the command of the Canadian Special Service Hospital at Witley, England. Lieut.-Col. Stone is a native of Forfar and a graduate of Queen's University.

Mayor Hughes is to preside at the formal opening of the Military "Y" at Barrfield Camp this evening.

Major Smith has been appointed commandant of "C" unit Invalid Soldiers Commission. He takes up his duties at once.

Elihu Root Coming.

Word has been received by the G. W. V. A. that neither Theodore Roosevelt or Charlie Chaplin will be able to attend the Dominion Day celebration. However, Elihu Root, eminent American statesman, and lately chairman of the American mission to Russia, has promised to come and deliver an address.

To Meet Teachers.

The registrar of man power would like to meet the teachers of the city who can do so at the Collegiate Institute at 4 p.m. Wednesday, and also other teachers on Thursday at 4 p.m. at Central school, to talk over and plan their work for Saturday.

Bass Season Open.

It is not legal to take bass under ten inches long, and the law makes eight bass the limit that an angler may catch on any one day.

The retail price of beef will probably be advanced five cents a pound as a result of the advance of the wholesale prices from 28c to 29c per pound. This advance is made on account of the scarcity of cattle.
