THE REPLY OF ROOSEVELT

TO THE INVITATION OF THE KINGSTON G. W. V. A.

Veterans Are Taking Up the Case of Mrs. J. M. Lanos—Regard Treatment of Her Case as a Disgrace to Canada.

There was a surprisingly large attendance at the meeting of the G. W. V. A. Monday evening in view of the fact that so many of the members were at the Fair Grounds making preparations for the big day on July 1st. It is not yet definitely settled that "Over the Top" show will be repeated in Ogdensburg, N.Y., on July 4th, but contracts have been signed, and Brig-Gen. Hemming is helping to obtain from Ottawa permission for those in uniform to enter United States territory. Gerald Fitzgerald and George G. Daniels, who came to the city to represent the American Red Cross, are most enthusiastic as to the drawing power of an "Over the Top" celebration put on in the American city, and are most anxious that the Kingston Branch G. W. V. A. should go to Ogdensburg to repeat the performance which takes place on July 1st in Kingston.

Roosevelt's Letter.

Much interesting correspondence was considered by the Association and filed. Perhaps the most interesting letter of all was one from ex-President Theodore Roosevelt. It was characteristic and to the point, as follows: "My Dear Mr. Topping—That's extremely kind of you, but it is an utter impossibility for me to attempt anything additional. With hearty thanks and real regret."

"THEODORE ROOSEVELT."

A letter was also received from Mrs. Arthur Meighen of Ottawa, consenting to act as a judge in some of the contests on July 1st. Mr. Farrell wrote stating that he would bring the recommendation of the Veterans before the Police Commissioners at their next meeting, and advise the Association of the result.

Principal Taylor sent a telegram from Vancouver that he would be in Toronto for the week of July 29th to attend the Dominion Convention, G. W. V. A., as a delegate from the local branch. This telegram was greeted with great enthusiasm by the members present.

Replies were received from the Civil Service Commission, the Department of Justice, and Sir George E. Foster with regard to the endorsement of Brig-Gen. W. S. Hughes for the position of superintendent of penitentiaries.

The provincial secretary-treasurer promised a detailed report of the meeting of the provincial executive, G. W. V. A., with the executive of the Y. M. C. A. held in Toronto June 20th.

A Referendum Taken.

A referendum was taken on resolutions sent down from provincial headquarters. The Association voted unanimously that the conditions of membership remain unchanged—active members to be men who had seen service in England and France; associate members to be those who had received an honorable discharge in Canada or who had served in some previous war or campaign. It was felt that no distinction should be made between those who went across before the passing of the Military Service Act and those who have gone since that date, but that to remain a Veterans' Association men still in uniform who had not been out of Canada could not be admitted.

The resolution "that the Provincial Executive take up the question of withdrawing and exchanging the present associate members' button for one a distinctly different pattern from the active members' button," was carried unanimously.

Reports of Committees.

The bandmaster, Comrade Sinclair, reported that the band was progressing very well, that with the co-operation of local bandmen who were not members of the Association he hoped to be able to make a good showing on July 1st. He stated that Adjutant Smith, of the Salvation Army, and Bandmaster Hunt, of the 14th, had very kindly promised every available bandman for that day. The announcement was made that the band would go to Ogdensburg with the others on July 4th, and bandmen were encouraged to turn out to practise so that they might take in this trip if authority comes through for it.

Two matters chiefly had been considered by the investigation committee. The treatment received by the widow of the late Professor Lanos, of the Royal Military College, was considered a disgrace to Canada. This case is to be pushed hard. Recommendations will be made to Ottawa that pressure be brought to bear on the French Government to make them do what is right in this case. If they will not act, then that the Canadian Government do its duty.

Comrade Trenear's complaint against the Davis tannery was referred back after some discussion to the investigation committee, that they might go further into the facts before recommending action.

Comrade Connor reported for the Finance Committee that more than \$2,000 improvement had been placed upon the Shannon building by the Association in addition to the thousand given by its owner for this purpose.

In view of the fact that two members of the executive, Comrades Lieut. Col. Birdsell and Capt. J. Welch, had not been present for three consecutive meetings, their offices were declared vacant and these nominations were received for two new members of the executive committee: Comrades Lieut. W. Hazlett, M.C. A. Smith, Capt. Fairhill, Sergt.-Major Allen. The election will take place July 8th.

Gets Bar in Order.

The bar to the Distinguished Service Order is gazetted to Major Alexander Van Straubenzie, Royal Artillery, of a distinguished military family in Kingston, who withdrew his battery after twelve days' continuous heavy fighting, his battery remaining in a high state of discipline and efficiency.

At the Theatres

At the Grand.

The bill at the Opera House last evening was one that pleased everybody. Harry Morey was seen in his latest release, "The Desired Woman," and supporting him was Florence Deshon, who achieved popularity on the legitimate stage in Broadway productions before coming to motion pictures, and also many other well-known screen artists such as Jean Page, Charles Hutchinson, Julia Swayne Gordon and little Aida Horton, who is a child actress of some note. The story deals with a man who desires both love and power, and does not know which to take. How this is settled is told in a powerful, convincing way that will hold your interest from start to finish. Other pictures shown were the Pathe News, a two-reel Judge Brown story that caught everyone's fancy, and a comedy that made them laugh whether they wanted to or not. The vaudeville consisted of Gaston and Babel in singing and dancing act that proved to be something new in the way of entertainment. This programme will be repeated to-night and Wednesday matinee and night only.

At Griffin's.

Last evening the patrons of this popular playhouse were highly delighted with little Mary McAllister in the stellar role of "Paul's." Aside from her histrionic ability, the child bears a distinction of which no other photoplay star can boast. She holds the appointment by the War Department as a non-commissioned officer in the regular army. She is the youngest officer in the army. They say that every family has its hidden skeleton—it's something that is never spoken of save with bated breath—a sort of bete noir, but in Charles Ray's family—that is, in his picture, "The Family Skeleton." This bete noir is only imaginary. The queer part of it all is that the hero, whose particular skeleton it is that he fancies himself an incurable drunkard, suffers far more than if his trouble had been real. The above features will be shown at Griffin's playhouse this evening and to-morrow afternoon and evening.

WILL THE STORES CLOSE AT FIVE P.M.?

Majority of Merchants Are Believed to Be Favorable to Plan.

With the first day of July less than a week away the merchants as well as the clerks in the stores on Princess street are beginning to think about the early closing of the stores. It is a custom of some years' standing for the stores to be closed during the months of July and August at five o'clock, and the extra hour has been greatly appreciated by the clerks who have been enabled to engage in greater production work and have had an extra hour for pastime. It is stated that this year a number of the merchants do not believe that the stores should be closed at five o'clock as the clerks will already have an extra hour of daylight under the daylight saving scheme. The majority, however, it is believed, are in favor of adhering to the custom of past years, and it is probable that most of the stores will close an hour earlier for the next two months.

Postpones Its Celebration.

At a meeting of the Army and Navy Veterans held Monday evening, it was decided to postpone the July 1st celebration until July 29th. A resolution was passed, condemning the stand taken by the W.C.T.U. on the use of cigarettes by soldiers.

ONLY A FAIR CROP

Is Now Expected in the Canadian Western Provinces.

(Canadian Press Despatch) Winnipeg, June 25.—In its fifth crop report this season, the Winnipeg Free Press to-day said this is fairly evident—that the Canadian west will not have a bumper crop this year, but with good weather from now on there is reasonable hope of a fair crop.
