CAMDEN EAST HERALDED

AS A PLACE WITH A PIOUS LOT OF PEOPLE.

Five Weddings During the Past Month—List of An Aviator-Caretaker, For C.N.R. Station. Camden East, June 26.—Here are a few things about Camden East. In the first place the place has a pretty good lot of people for the place has three churches, Anglican, Presbyterian and Methodist. We have two general stores, one hardware and one furniture and hardware store, two blacksmiths, one butcher shop, cheese factory, cheese box factory, millinery shop, public school with two teachers, a grist mill, and we have also several retired gentlemen, who are doing their bit for greater production. There are also the Standard bank and a first class temperance hotel, to where you can get good meals.

A party had the cheek to say you can tell the men who have the money by their outfit. If you see a man with a horse and buggy you can make up your mind that fellow has no money. The writer does not agree with that party for I know men who take pleasure in driving a good horse and could buy an automobile and pay for it. Others are driving automobiles who might better have a top-buggy, for they are like the fellow who bought a farm and said "I have bought a farm and all I have got to do it to pay for it."

There have been five marriages here inside of thirty days—pretty good for Camden East. Mrs. Alva Boulton died in Kingston hospital on Thursday last. The body was brought home and the funeral services were conducted by Rev. Mr. Stocker. There was a large turnout at the funeral.

Bert Amey has repaired the old Warner Hotel and has made a fine residence out of it. He also put a new cement walk in front of the house. The C.N.R. Company has engaged a caretaker for the station in the person of Marshall Hinek. Guy Galbraith is making slowly. Mr. Stovary is also better. John Greenway of Winnipeg is visiting his mother for a few days. Miss Wilson, Nanpan, is at Miss Martin's. Mrs. N. J. Galbreath is visiting friends in Toronto. George Paul, Vancouver, has been renewing old acquaintances and while here had a monument erected for his father and mother. B. Calder of Manitoba, was here for a few weeks visiting friends. Miss Jessie Henderson returned home on Tuesday after visiting her parents, Mr. and Mrs. James Henderson, in the city of Toronto. The people had a flic treat on Tuesday morning. An airplane came down in Mr. Gehan's field and the men, women and children had the pleasure of seeing a flying machine on the ground.

On Wednesday morning at St. Luke's Church, Harold Hough of Wilton and Miss Aggie Robinson of this place were wedded by Rev. Mr. Spencer. The church was beautifully decorated for the event.

MALLOTTOWN METHODISTS.

Present Purse of Money to Retiring Pastor and Wife.

MalloTTown, June 25.—The continuous cool and damp weather has greatly hindered growth of crops in this section. The entrance pupils wrote on their examinations in Brockville last week. Over four hundred residents registered at this centre. Mrs. J. Spence and little son, Charlton, are spending a few days the guest of her sister, Mrs. C. Gibson. Mrs. Lancaster, Toronto, is visiting her parents, Mr. and Mrs. W. Burnham. C. E. Tennant and family motored to Kingston on Sunday to see their son, Pte. Ollie Tennant, encamped at Barrfield. Miss Laura Jordan returned from Ottawa on Thursday last after completing her normal course.

All are sorry to hear of the serious illness of Pte. Harold Andress at Barrfield Camp. A number from here attended the funeral of the late Mrs. William Graham, MalloTTown, on Sunday afternoon.

An interesting event took place at the Methodist parsonage last evening, when a number of friends gathered to bid farewell and God-speed to Rev. Mr. and Mrs. Bradford before their departure for their new field of labor at Newboro. A pleasant social evening was spent together. Then Mr. Eugene Hagerman read a short address and Miss Franks, Price presented Mr. and Mrs. Bradford with a well-filled purse as a token of appreciation of their services on the circuit for the past four years.

Mr. and Mrs. Workman have removed to Brockville, where Mr. Workman has secured a situation. Several improvements are being made at the Union cheese factory establishment. Carpenters are remodeling the store recently vacated by Carl Burnham and are preparing it for the new bank which is to be established there.

TO LIVE AT SEELEY'S BAY.

A Wedding at Delta on Wednesday Last.

Delta, June 26.—A very pretty wedding took place Wednesday morning at the bride's home, when Mabel Laural, eldest daughter of Mr. and Mrs. S. Whitmore, of this place, was united in marriage to Harry McElroy, son of Mr. and Mrs. J. McElroy, Seeley's Bay. The bride, given away by her father, was in a gown of white silk marquisette, with orange blossoms arranged in her hair. Her corsage bouquet consisted of cream roses. The bride's little sister, Gwendoline, was ring-bearer, and Miss Zilda Frye played the Wedding March.

After a sumptuous dinner the newly-wedded couple motored to Forfar Junction to go via C. N. R. to Ottawa and other points. The bride travelled in a navy blue suit with cream blouse, and wore a small Panama hat. The bride, a member of the Methodist Church choir and president of the Edworth League, was the recipient of many valuable presents. On their return Mr. and Mrs. McElroy will reside at Seeley's Bay.

Rev. and Mrs. R. Calvert had Frank Rice for their new home at South Mountain to-day. Mr. Calvert was presented with a well-filled purse on behalf of the choir and congregation

of the Methodist Church in appreciation of her services as organist. Mr. and Mrs. George Halladay and Mr. and Mrs. Kenneth Halladay, Toronto, are visitors at Austin Preston's. Mr. and Mrs. John Russell and Omer and Jean left for a trip to Manitoba on Monday morning via C. N. R.

George Snider has received his honorable discharge from military headquarters at Kingston, and is in town again. Mr. and Mrs. T. Danby, Brockville, and Mrs. Merrill and Mrs. Gale, New York State, are the guests of Mr. and Mrs. J. Sexton. Mrs. C. H. Juby and little Mary Elizabeth, Watertown, are visiting Mr. and Mrs. A. Lafèche. Miss Lillian Sheridan Sperton, was the recent guest of Miss Vera Birch. Ronald, the infant son of Dr. and Mrs. Kelly, passed away on Saturday, June 22nd, after a great deal of suffering. Mrs. S. H. Mott and Margaret and James, Toronto, have arrived for the summer here. Craig Miner, New York, is a guest at the Watson House.

SUNBURY NEWS BUDGET.

Accident to Denzil Dixon—Meeting of Red Cross Society.

Sunbury, June 25.—The frosts of the past week caused considerable damage to some low-lying sections, but the effects would be somewhat counteracted by the rain. The pastures and meadows will be greatly benefited.

Robert Dixon has installed a new milking machine. His little son, Denzil, met with a painful accident. While playing with a gun it became accidentally discharged, the bullet passing through his foot. He is now in the Kingston General Hospital.

Mr. Dixon has the sympathy of all, as his wife is just recently home from the same institution, having been detained there by a broken ankle, sustained by falling on the sidewalk some time ago.

The topic for the past few days was, "Have you registered?" The efficient staff of workers, composed of Deputy Registrar Miss Scott, Assistant Deputies Miss Finnegan, Mrs. Hugh Moreland, Rev. A. T. Caswell and Messrs. C. W. Langdon, H. Shannon and A. McDonald, handled the work so capably that very little was left to be done on June 22nd.

Robert Balls has purchased a Chevrolet car. Ross Smith and Harold Haffner have donated the khaki. Ross Dixon is home from hospital, where he underwent an operation for appendicitis. Scarlata has broken out in the home of William Moreland. It would be greatly to the interest of the public if quarantines were strictly observed in such cases. School closes this week. A successful meeting of the Red Cross Society was held at the home of Mr. H. J. Moreland on Thursday afternoon. Twenty-five pneumonia jackets were completed; a 10 cent tea was served by the hostess; receipts, \$4.50.

MARRIED AT ARDOCH.

The Bishop of Ontario Conducted the Service.

Ardoch, June 24.—At St. John's Church, at three o'clock Tuesday, June 11th, a marriage of considerable interest was solemnized by Bishop Biddell, Kingston, assisted by Rev. P. Watson, Ardoch, when Miss Hazel Hamilton, daughter of Mr. and Mrs. George Hamilton, of this place, was united in the bonds of matrimony to Donald MacGregor, of Myers' Cove. The bride, who entered the church gleaming on the arm of her father, who gave her in marriage, was tastefully attired in a beautiful gown of white satin and silk embroidered net, also wearing the customary veil and orange blossoms. She was attended by Miss Maud MacGregor, who was gowned in white silk. Roy Hamilton ably performed the duties of best man. The wedding march was rendered by Mrs. G. Ostler. At the close of the ceremony the bridal party proceeded to the home of the bride's parents, where a dainty and bountiful repast was served to the relatives of the contracting parties. In the evening a large reception and dance was held, which was most heartily enjoyed by the young people.

The bride's going away suit was a handsome creation of navy blue worsted, with a white picture hat with large ostrich plume and touches of gold. Hearty good wishes follow the young couple to their new home in Myers' Cove, where the groom is a prosperous young farmer. Many and costly were the presents received by the bride, which went to show the high estimation in which she is held. A goodly number of presents were received at the bridal shower which was held at the home of the groom on the following Monday evening.

At Brockville on Wednesday Rev. F. Lloyd Morrow united in marriage Miss Gladys Pearl Stewart, youngest daughter of Mr. and Mrs. Robert E. Stewart, to Sapper Harry W. Cluff, son of Mr. and Mrs. Joseph T. Cluff, of Ottawa, a member of the Canadian Engineers Depot.

False Modesty

has led many a suffering person to neglect the treatment of piles. The itching, stinging sensations produce the keenest distress. The thought of a surgical operation brings mental anxiety which undermines the general health. Relief can always be obtained by the application of Dr. Chase's Ointment, and in most cases persistent treatment brings about complete cure. This ointment is worth trying when you think of the comfort to be obtained.
