

SCENE OF GREAT AUSTRIAN DEFEAT ON THE PIAVE AND NORTHERN LINE

BATTERED AUSTRIANS EN ROUTE TO FIGHTING FRONT IN FLOODED REGION

AUSTRIANS PASSING THROUGH A TOWN in the FLOODED REGION BEFORE VENICE. BY T. M.

This picture shows groups of Austrian soldiers passing through a town in Northern Italy before Venice en route to the fighting front. It is certain most of them either never returned alive or flew back to shelter in a much hastier fashion than the photograph shows.

Recipes That Save And Serve.

To Can Swiss Chard. Wash and pick over the chard, put over slow fire with only the water that clings to the leaves. Cook till tender, pack in clean hot jars, add 1

teaspoon salt to each quart jar, fill up with boiling water, and put on covers. Screw up tight; when cold dip top of jar in melted paraffin wax.

Save the Meat. Rice and Cheese Bundles: 1 1/2 cups of cooked rice, 3/4 cup of grated cheese, 6 large cabbage leaves, salt, pepper, paprika, 1 tablespoonful vegetable fat.

Season the rice well with salt, pepper and paprika, and add the grated cheese. Mix thoroughly, having the mixture quite stiff. If too stiff, a little rice water may be added. Blanch the cabbage leaves in boiling water to cover, until limp but not broken. Drain off the water. Fill each cabbage leaf with some of the mixture, and roll up carefully like a bundle. Lay the rolls in a well-buttered baking dish, and sprinkle with salt, pepper, paprika and bits of fat. Cover and bake in a slow oven until the cabbage leaves are tender.

Raisin Cake: 1 cupful brown sugar, 1 cupful water, 2 tablespoonfuls chicken fat, 1/2 teaspoonful salt, 1/4 pound raisins, 1/2 teaspoonful baking-soda, 1/4 cupful barley flour, 1/4 cupful wheat flour, 1/2 teaspoonful cloves, 1/2 teaspoonful cinnamon. Boil together for five minutes the sugar, water, shortening, salt, and raisins. Let stand until thoroughly cold and add the dry ingredients sifted together. Bake in a loaf-pan about one hour in a slow oven. This may be served as a dessert with a sauce if desired.
