THE BOWLING TOURNAMENT

IS TO OPEN IN KINGSTON ON MONDAY-NEXT.

About Forty Teams Will Take Part—They Will be From Ottawa, Prescott, Brockville, Belleville, Cobourg and Other Places.

The St. Lawrence Lawn Bowling Association will hold its annual tournament in Kingston. The games will be played on lawns at Queen's University and Rockwood Hospital, commencing on Monday, July 15th. The clubs at the following places will send competing teams: Ottawa, Prescott, Chesterville, Brockville, Newboro, Belleville, Picton, Peterborough, Port Hope, Cobourg. From thirty to forty teams will take part in the matches.

The Canada match was won last year by the Ottawa Bowling Club, which holds the Wisser trophy, donated by J. P. Wisser & Sons. There are also four miniature cups also presented by the same firm to winners.

The Dominion match was won last year by the Vitoria Club, which is also an Ottawa club. The trophy was donated by Hon. Dr. J. D. Reid. The St. Lawrence match was won by Queen's Bowling Club, Kingston, which holds the Donovan trophy, donated by J. P. Donovan, M.P.

The other events are the consolation, doubles, fifteen ends, and singles, fifteen points.

W. H. Wormwith is president of the local club, and H. W. Newman, secretary-treasurer. This is the first time the tournament has been held in Kingston for years, and it will afford an opportunity for lovers of bowling to see crack players at work.

The fact that furlough to Canada, recently given Kingston and other officers, has been cancelled and that they are only allowed to proceed to England, is considered as an indication that something big is coming on the western front.

It is reported that as many as twenty-six draftees took French leave just before the last draft from Barriofield left for further training in the east. Entertained At Queen's Hospital. A most enjoyable time was spent by the soldiers in Queen's Military Hospital on Tuesday evening when they were entertained by the George T. Richardson Chapter, I.O.D.E., at a whist party. Prizes were donated to the winning tables, and afterwards tea, cream, cake and fruit punch were served to the men. During the evening Sergt. Spargo and Miss Anita Sutherland gave a pleasing vocal duet and Miss Ardelle Elder played delightfully on the piano. The kindness of the chapter is much appreciated by the men.

At the Theatres

At the Grand.

To-night will be the last chance to see Alice Joyce in her latest starring vehicle, "The Song of the Soul," which was presented last evening to a large and enthusiastic audience. This gripping tale of motherhood amid the sordid surroundings of a gambler's house made the picture one that held the watcher's interest from start to finish. The Pathe News, a Judge Brown story, a single reel comedy, and the Van der Koors in an act of vaudeville that was the most original thing seen here this season, completed this bill, that will be shown for the last time to-night. For the latter half of the week there will be a change of programme. Carlyle Blackred in the five-reel Brady-made world picture, "His Royal Highness," which is a thrilling romance of many unexpected developments, and tells how an American youth gingers up a stagnant European monarch. To round out this exceptional entertainment there will be an O. Henry story, a Lonesome Luke comedy, and the Pathe News. The vaudeville will consist of Gray and Edwards in a comical musical offering that is sure to catch your fancy.

At Griffin's.

To-night will be the last opportunity given to patrons to witness the screen's most versatile male star, William Farnum, in his stupendous triumph, "The Conqueror." To miss seeing this photoplay is to miss one of the season's photodramatic treats, with a story and heart appeal that is irresistible. All the sterling qualities that have made William Farnum the star that he is are brought into play in this picture, and he is given an opportunity to use them more advantageously than ever before. A cast of brilliant photoplay favorites, including Jewel Carmen and Charles Cleary, support the star.
