FOUR ST. PIERRE BROTHERS ARE SERVING THEIR COUNTRY

They Are Sons of Mr. and Mrs. Angus St. Pierre, Clarendon—Two Were Casualties on the Same Day—A Third of the Brothers Was Also Wounded.

PTE. JOHN ST. PIERRE

PTE. JOSEPH ST. PIERRE

PTE. BEN ST. PIERRE

SAPPER FRANK ST. PIERRE

Four sons in the service of their country is the proud record of Mr. and Mrs. Angus St. Pierre, Clarendon. Each has borne his full share of burden in the homeland's cause, and in their letters to their parents they express their happiness in availing a part in the conflict.

Two of the boys, Pte. John St. Pierre and Pte. Joseph St. Pierre, enlisted together in the same regiment, the 4th Canadian Mounted Rifles, and it was somewhat remarkable that they should both be casualties on the same day. It was on September 6th of last year that they were much weakened through the effects of German gas, and

were returned to England to convalesce.

Another brother, Pte. Ben St. Pierre, also enlisted in the same unit, and was wounded on October 26th. He was sent back to England, and was for some time in Kitchener Hospital, where he received treatment for his injuries.

Sapper Frank St. Pierre has served for many months with the 4th Canadian Tunnelling Company, Engineers Branch, and has done some exceedingly good work. The voluntary contribution of four sons who have seen active service is a record deserving of admiration, and Mr. and Mrs. St. Pierre are to be congratulated on having such patriotic boys.
