the Big Day at the Fair

The horse racing and the baseball match at the fair grounds on Civic Holiday will easily be the outstanding events of the day. From all around the district entries are being received for the races which will undoubtedly be the fastest that have been held in Kingston for many a day. The entries are coming in to the secretary of the Gentlemen's Matinee and Driving Club in large numbers, and the valuable purses which are being offered are very attractive. The various classes will give an opportunity for horses of give an opportunity for horses of all speeds to take part, and lovers of the sport will be amply repaid when they see the races on the

track at the fair grounds.

Not this year nor in years past
have there been baseball games which will measure up to the pro-spective match between the Havana Hed Sox and the Dentals from Toronto. Both teams are determined to save their reputations on the Kingston ball grounds, and a stirring fight for the honors is antici-pated. Considerable speculation is rife in sporting circles in the city as to the outcome of the game, and it will be eagerly witnessed by the hundreds of local fans.
