Forward with Foch.

The "German peace" has gone aglimmering.

Twenty-two nations have declared war against Germany. One more and it will be "23" for the kaiser.

The kaiser witnessed the launching of the last offensive, Likewise, he was the first to beat it back to safety.

Another draft of over 3,000 Canadians has arrived in Europe. Which is equivalent to so many nails being driven in the kaiser's coffin.

The housewife finds that any kind of fruit is too expensive to can this year. The only thing that we can afford to can is the kaiser.

is only a few cents. In Montreal the rounding the spacious Macdonald bachelor who refuses to "strike a school were converted into a place match" is tined \$10 per annum.

The German official statement of the movement may be gathered

A LETTER HOME.

By Grantland Rice. Dear heart, some day, when I come Across the night that blurs our When I have found the long los That leads again to home-and

When I have stalked across this To see beyond the last lone trench Old dreams rise through the mist

We'll know, beyond these blood-That leave their wake of blight

once more-

what an old-time twilight When dusk steals out some friend-And, hand in hand, home bound we

To watch once more the old moon Its silver etchings on ahead-

'o meet the darkness without fear Of what to-morrow's fate may

To reach and find the other near

Through spring's eternal wander-And know, at last, our ways are one, Are one forever and a day, Until we meet the last dim sun

That leads us on the outbound A far light glowing through the

When I come back again-some A light from home-and not the

Of battle flame from darkness light from home that sends it To two lost lovers down the

Dear heart, I've found out here, a We've never understood before Is but a breath of what's in store

Far from the cannon, wheel to That tear apart the midnight hue, The dawn of life that we will feel Dear heart, when I come back to
