

**JOHN POLLIE CHOSEN**

**AS INSPECTOR OF THE CHILDREN'S AID SOCIETY.**

A Meeting Was Held on Wednesday Afternoon. A Number of Applications Were Considered.

A special meeting of the Children's Aid Society was held on Wednesday. Dr. A. W. Richardson occupied the chair. He spoke of the sudden death of the society's agent, A. Jack, and the shock it was to all of the members. The deceased had raised the society in public esteem by the efficient manner in which he performed his duties. He was sympathetic, tactful and had the esteem of the community. "He felt that it would be difficult to get a suitable successor."

A resolution was passed directing the secretary to send a letter to the widow of the late agent expressing the sympathy of the members of the society. James Halliday moved the resolution and F. Welch seconded it in a very feeling address, in which he paid a tribute to the sterling worth of the deceased, his integrity and tact in the discharge of his duties. Mr. Bradshaw and Mayor Hughes also spoke, and the latter deplored the loss the society had sustained. He stated that Mr. Jack possessed the qualities for the office in a marked degree. It would be difficult to secure so suitable a successor. The interest of the society demanded that only a man qualified for the work should be appointed.

The secretary, Dr. W. W. Sands, read a number of applications for the vacant position. There were twelve of them. After all were considered a ballot was taken and John Pollie was elected. A resolution was then moved by Dr. Bell making the choice unanimous, and it was carried.

The following members were present: Dr. A. W. Richardson, Mayor J. M. Hughes, Dr. W. W. Sands, R. Muir, O. Bartels, William Murray, Dr. G. A. Bell, J. W. Bradshaw, H. W. Graham, E. Welch, John McEwen and James Halliday.

seven years of age and for many years kept a tinmith store on Princess street. His family consists of his sister-in-law, two sons and a daughter. His wife died some years ago. **THE RATES WERE RAISED.**

**At Annual Meeting of Oddfellows' Relief Association.**

The rates of the Oddfellows' Relief Association were raised at the annual meeting, held in this city on Wednesday, after much deliberation. They come up to Government requirements.

The report of the special committee, appointed last year, was considered, and, after many amendments, was finally adopted, with a few changes. In place of the cash limit, it was decided to extend the ages in class A, B and C by two years each. The association was very anxious to relieve the old members, and make their assessment as low as circumstances warranted, and the spirit of fraternalism was manifested that will result to the benefit of the association. The younger men will meet the rates with a desire of assisting those who have been a long time connected with the association.

**Bad Piece of Road.**

Several complaints have been received concerning the condition of the pavement at the corner of King and Brock streets, near the Bank of Commerce. There is a deep rut between the curb and a manhole, where water collects after a rain. One of the ladies who drew the attention of the Whig to it said that while she was waiting for a street car a passing car ran into it and a white rock which she was wearing was ruined with the muddy water.

Robert E. Ward, 407 King street, has been appointed storekeeper at the Mowat Hospital. He has begun his duties.

Miss Sadie Kelly, Enterprise, is visiting friends in Kingston.

**MEDICAL BOARDS DECIDE BUILDING QUITE ACTIVE**

**THE AMOUNT OF PENSION TO BE GRANTED SOLDIERS.**

The Candidate Must Certify That the Disability Was Received While on Active Service—1,500 in Kingston Are on Pension List.

Much criticism has been levelled at the administration of the pension system of Canada by the G. W. V. A. Inquiry at the local pension office elicited the information that no discretionary powers are exercised by the pension board, but that the amount of pension is automatically determined by the medical boards through which every man must pass before his discharge is granted. The medical boards note every disability, no matter its degree or what its origin, but the members must certify that the disability was received while on active service. The degree of disability determines the amount of pension. It is pointed out that there is no possibility of neglect in any case and no man is required to make application for pension under the system in force. The report of the medical board goes to the Board of Pension Commissioners for Canada at Ottawa, whose medical advisers classify the disability and the man's name is immediately placed on the list of the district officer that he comes under. The district officers for M.D. No. 3 are situated at Ottawa and Kingston, and the Kingston office now has 1,500 returned soldiers drawing pensions. The disabled pensioner receives a pension for his disability independently of what he may be earning and the amount is paid monthly in advance.

**Wife and Little Boy**

**SAVED BY Dr. Fowler's Wild Strawberry. Both Had Dysentery.**

Dysentery comes on very suddenly and is one of the worst and most dangerous of all bowel troubles. The pains in the bowels become intense, the discharges occur with great rapidity and are very often accompanied by blood. Unless these discharges are checked the sufferer becomes weak and languid, and very often death ensues. There is only one remedy to use in all cases of dysentery or any other looseness of the bowels and that is "Dr. Fowler's Extract of Wild Strawberry."

It will cure where all others fail. It has been on the market for 73 years. Don't accept a cheap substitute and thus endanger your health.

Mr. W. J. Metcalfe, Toileid, Alta., writes: "I wish to state that we have used Dr. Fowler's Extract of Wild Strawberry with good results. I will say that it can't be better. It saved my wife and little boy last summer, when they were very low with dysentery. We always have a bottle of it in the house, and would not be without it if it cost five dollars a bottle."

The genuine "Dr. Fowler's" is manufactured only by The T. Millburn Co., Limited, Toronto, Ont. Price 25c.

**CLASSY RACES ARE ANTICIPATED ON CIVIC HOLIDAY.**

Kingston Gentlemen's Matinee and Driving Club Making Arrangements For the Biggest Day in City's History.

Bigger and brighter grow the prospects for the monster celebration at the Fair Grounds on Civic Holiday, July 29th, under the auspices of the Kingston Gentlemen's Matinee and Driving Club. The entries for the horse races are beginning to come in thick and fast upon the secretary, and some of the best horses in the province have been listed. Armardale, the record-breaker from Wolfe Island, is first upon the list in the 2.13 class, and a long list of surprises will step up to the line when the bell rings out the welcome sound. A number of the horses that are entered have been racing at Brighton, and will be in best condition for the contests on Civic Holiday. Fred Hal, the wonderful horse from Ottawa, is also listed in the 2.13 class. This horse has a splendid record and can step miles in 2.10. Dick Bison, from Belleville, the Indian from Cobourg, Manella from Belleville and Mer-man Wenger from Keele, are among the equines that are scheduled to pace in the 2.13 class-race.

In the 2.22 class Penalty, of Kingston, Golden Rex of Ottawa, Bindare of Belleville, Sedalia of Bloomfield, Bobby Hill of Belleville, and Spier Olcott of Ottawa, are among the horses that have been entered for the competition. It is a sure bet that if the Government had not put the ban on the pari-mutuals that the bookers could not have kept away from staid old Kingston on the big day. The horse races are going to give the citizens the biggest bet in their life and not in years, have they had opportunity of witnessing such an excellent array of speedy horses. This will undoubtedly prove the big feature of the entertainment, along with the baseball match.

Besides the above-mentioned horses a number of others have been signed up, including Baby K., Little Mac, Little Edith, Bernard McKenney, Pathseeker, Joe Patchen, Miss Guinette, Buster Gamble and many others, and, without exaggeration, some of the best races in years should be pulled off.

The baseball match between the Havana Red Sox and the Dentals is still being anticipated by the fans as the premier event of the day. Both teams, from advance advices, are practising hard to give the citizens an exhibition of baseball such as they have not seen for many a day. Taken all in all, the day should prove one of the most entertaining ever celebrated in Kingston.

**HONORS FOR ARMARDALE.**

Won the 2.25 Class Race at Brighton on Wednesday.

The horse races at Brighton on Wednesday were well attended and some classy races were run. Armardale, the record-breaking animal from Wolfe Island, won another feather for her cap when she paced first in the 2.13 class. Her best mile was done in 2.14. Penalty, Kingston, and Bindare, Belleville, divided first and second money in the 2.25 class.
