SMILES

Here is a Most Enticing Dance Record-A Fox-Trot With a Refrain In It.

REFRAIN

There are smiles that make us happy, There are smiles that make us blue, There are smiles that steal away the tear-drops As the sun-beams steal away the dew. There are smiles that have a tender meaning That the eyes of love alone may see, And the smiles that fill my life with sunshine Are the smiles that you give to me.
