ZEPPELINS FAILED IN RAID ON ENGLAND

Attacked at Sea-One Was Brought Down and Another Damaged.

(Canadian Press Despatch) proached the east coast of England at 9.30 o'clock last night, but did

not penetrate far inland. One of the enemy craft, a Zeppelin. was brought down, it was officially announced to-day. The text of the official statement follows:

"Five enemy airships attempted to cross the coast last night but while still at sea were attacked by a Royal Air Force contingent co-operating with naval units. Three were engaged in action and one was shot down in flames, forty miles from the coast Another was damaged, but probably succeeded in reaching its base."

The attempted raid by German Zeppelins on the east coast of England last night proved to be a com plete flasco, according to reports thus far received. British fliers, who are ever on the alert along the coast, were ready for the visitors and mel Don't forget Social Five Dancer City in flames, damaging a second and driving a third away. What happened to the other airships in the squadron is not disclosed in the official statement. The fact, however, that clauses on membership met with his ton, on August 6th, 1918, to Lieut. | the coast," is ground for presumption that these did reach land.
