Military News

Another Kingstonian has received military honors. It is announced that the military cross has been awarded to Lieut. Harold Brownfield, who formerly resided at the corner of Wellington and Union streets. The official report says that Lieut. Brownfield remained all day under machine gun fire, sending back valuable information.

Orders to-day contain the following: "A report has been received by the Minister of Militia and Defence from the War Office representative at Wei-Hai-Wei, China, through the Army Council, commenting upon the conspicuous competence and ability in organization displayed in most difficult circumstances by the Canadian Army Medical Corps: Capt. L. A. Panton, C. H. Bastin, J. H. Box, C. S. Cronk, D. T. Fraser, P. E. Doyle, McEwan and Sheppard.

"A general account of the work was sent to the Army Council, which body desires the Minister of Militia and Defence to express its warm thanks to the above-mentioned officers for their admirable service during the epidemic of typhus amongst Chinese laborers at Wei-Hai-Wei."

Some of the doctors mentioned are Queen's and McGill graduates. Hon. Capt. A. Ketterson, senior chaplain, 6th Infantry Brigade, has returned to Canada for disposal after nineteen months' service in France. He arrived on Saturday and reported at headquarters to-day. Capt. Ketterson went overseas as chaplain to the 80th Battalion. He was formerly in charge of Christ church, Niagara Falls, Ont.

Major R. E. Porter, late of the headquarters staff, I.S. of L., has been spending a few days in the city and called at headquarters.

Nursing Sisters M. E. rns and G. Atkins, A.M.C., have been transferred from Elmhurst Hospital to Queen's Military Hospital for duty.

Capt. Ayles has been detailed for duty as casualties officer, M.D. No. 3, the position lately occupied by Major W. J. S. Sharp, who is mysteriously missing.

Major Ernest H. Young left here Friday afternoon for Cobourg, where he takes command of the Ontario Military Hospital. Major Young served about two years overseas, being brought back to Canada by the Militia Department for this hospital command.

Lieut. Warren R. Skey, of Kingston, who has awarded the Military Cross, when his column was caught in heavy barrage, extricated the column, rescued mounted men and horses and delivered the ammunition at the battery.

G.W.V.A. Membership Campaign.
The chairman of this campaign is able to report that new members to the number of 191 has joined the association since July 1st, 1918, bringing the total membership in Kingston to 989. It is hoped to pass the thousand mark in the course of the next few days. It is a source of pleasure to record such a gratifying increase during July. The members are out to get 1,500 paid-up members before the close of the year. There is no doubt that this branch, together with all G. W. V. A. branches in Canada, will doubly increase now that all constitutional points have been cleared to the satisfaction of members.

HAD A MERRY TIME.

A Gathering at "The Shibley Camp" on Wednesday, August 7th, "The Shibley Camp" on Sydenham Lake, was the scene of a merriment gathering, when Mrs. K. N. Storms was taken by complete surprise, it being her birthday. Her good friends from Wilton, Massow, Harwood, Smith, Glenvale, Muryale and Sydenham arrived in on her early in the afternoon and a more enjoyable time could not have been spent.

In the evening Davey's big motor boat called at the landing and gave the party a ride around the shores of the old familiar lake, where one and all had in their youthful high school days spent many an enjoyable hour.

St. George's Choir Picnic.
The choir of St. George's Cathedral held its annual picnic on Thursday. All of the boys were present and some of the adult members. Dean Starr provided a motor boat for a trip to Gananoque, and finding that there was more than ample room invited a number of returned soldiers to go along too. A very pleasant trip was made to Gananoque, and the party arrived back at 8.30 p.m. Dean Starr acted as skipper.

Boys Rang Fire Alarm.
At 1.40 p.m. the fire brigade was called by an alarm from the corner of Division and Union streets, but there was no fire. Two men noticed two little boys, aged about five years, running away from the corner. The boys were chased and caught and one of them admitted that he had pulled the alarm. A policeman was sent with them to their homes and the little fellows will be taught the danger of tampering with fire alarm boxes.

Man Transports in Flight.
British Army Headquarters in France, Aug. 9.—On the horizon enemy motor transports have been visible scurrying away. The 27th, 43rd and 108th divisions of Crown Prince Rupprecht's army have suffered heavily, while the 117th Division, which came into the line only Wednesday night, has been badly cut up.

The only determined enemy stand was made around Morlancourt, where there was fighting throughout the day, the enemy making several counter-attacks, but without covering any ground.

A board of conciliation will likely settle the Canadian Express Company strike, Toronto.

POLICE ARE LOOKING FOR TAXI DRIVER

Who Is Claimed to Have Driven Major Sharp to Railway Station.

That on Friday last Major Sharp, the missing Kingston officer, was driven from the armouries to the outer station by a local taxi driver is the latest clue that special officers working on the case have secured, and they are working on it. Who was the taxi driver? This is the question the officers want to solve, and they are confident of doing so, and believe that when this taxi driver is located he will be able to give some valuable information. The detectives are confident that Major Sharp is alive and put no faith whatever in the suicide theory.

That the taxi driver who took the major from the armouries should volunteer this evidence in order to help clear up the mystery is the general opinion.

At the Theatres

At the Grand.
Last evening's audience at the Grand was thoroughly delighted with the latest five-reel Brady-Made World Picture which was shown. It was "Whims of Society" and had Ethel Clayton in the stellar role. "Whims of Society" tells the story of a young factory girl who is pretty and intelligent, and who works hard and struggles courageously against poverty and the wickedness of the world, so that she might keep her young sister in school and provide for her future. Ethel Clayton played the part of this girl, and she invested the character with a memorable wistfulness and winsomeness that everyone was delighted with. The play takes its name from the fact that the doings of an Uplift Society figure very largely in the story, and, in fact, are really responsible for the young girl's final happiness. Other reels shown were the Pathe News, a Lonesome Luke comedy, an O. Henry story and other films. For the vaudeville, the Luciers Comedy Rubes presented an act that was enjoyed by all. This bill will be repeated to-night and also on Saturday both matinee and night.

At Griffin's.
Simple, though dramatic in construction, J. Stuart Blackton's great photoplay, "Missing," presenting an all-star cast, was displayed with great success at Griffin's yesterday. The story of "Missing" is a remarkable study in contrasts between two English sisters, Nell and Hester. Hester, the elder, craves wealth and social position. Nell is beautiful and unworldly, and she falls in love with a poor young Englishman who is about to receive a lieutenant's commission and leave for the front. She marries him, and when he is reported missing the elder sister attempts to instill in Nell's mind the belief that he is dead and thus marries a rich man. In the end Nell's soldier husband returns to her. Beautiful Vivian Martin was also seen in her latest photoplay, "Vivienne," which proved even more charming than her former great successes. In the picture the beautiful little "Sunshine Star" gives a highly interesting portrayal of a difficult role, and is as sweet and lovable as ever. In addition to these two pictures, an interesting episode of "The Eagle's Eye" completes the programme.
